Romeo and Juliet William Shakespeare,2023-06-29 For this updated critical edition of *Romeo and Juliet*, Hester Lees-Jeffries has written a completely new introduction. It draws on recent research in theatre to set *Romeo and Juliet* in its mid-1590s context, making connections with other plays by Shakespeare and other literature of the period, as well as with the social and cultural contexts of the day, with discussions of London and Italy, dancing and duelling, marriage, gender and sexuality. It includes detailed discussion of the play in performance from the Restoration to the present day, with a particular focus on film (including global cinema), music and dance, and also explores other adaptations and afterlives, including young-adult fiction. The edition retains the commentary and Textual Analysis of the previous editor, G. Blakemore Evans; the Textual Analysis is prefaced with a short note contextualising its conclusions in the light of more recent research.

Variorum editions of Shakespeare—also called the Furness Variorum—he collected in a single source 300 years of references, antecedent works, influences and commentaries. He devoted more than forty years to the series, completing the annotation of sixteen plays. What You Sow Is a Bare Seed Celeste Kennel-Shank,2023-08-17 What You Sow Is a Bare Seed is a group biography that tells the stories of ordinary but extraordinary people who were engaged in movements for renewal in the church and justice in broader society. People such as Dora Koundakjian Johnson, an Armenian-Lebanese linguistics scholar and activist, and Doug Huron, an attorney who won a landmark US Supreme Court civil rights case. They were among those who came together as the ecumenical Community of Christ in Washington, DC. Planted in the inner city in 1965--when many churches were leaving--the Community distinguished itself from the more organized church without rejecting it, as one former member says. They believed that helping each other identify their gifts was a compelling way to shape their collective ministry beyond themselves. The Community initially intended not to own property but later bought a building and opened it up as a community center. As a final act of ministry, the Community gave its building away to a nonprofit partner when it closed in 2016, leaving a legacy that continues today.

Interpreting Myanmar Andrew Selth,2020-12-10 Since the abortive 1988 pro-democracy uprising, Myanmar (formerly Burma) has attracted increased attention from a wide range of observers. Yet, despite all the statements, publications and documentary films made about the country over the past 32 years, it is still little known and poorly understood. It remains the subject of many myths, mysteries and misconceptions. Between 2008 and 2019, Andrew Selth clarified and explained contemporary developments in Myanmar on the Lowy Institute's internationally acclaimed blog, *The Interpreter*. This collection of his 97 articles provides a fascinating and informative record of that critical period, and helps to explain many issues that remain relevant today.

A Myanmar Miscellany: Selected Articles, 2007-2023 Andrew Selth,2024-09-30 Andrew Selth has been watching Myanmar for 50 years. During this time, he has published 10 books and more than 400 other works about the country. In 2020, he released a collection of almost 100 articles that had been posted on the Lowy Institute's *Interpreter* website. This second anthology brings together another 72 articles, written for a range of outlets between 2007 and 2023. This period saw the installation of a "disciplined democracy" under Aung San Suu Kyi, the 2021 military coup, and the country's descent into a bitter civil war. Many of the articles in the book deal with international relations and security issues, but there are also works on Myanmar's history, politics and culture, as well as some personal reminiscences. Together, they make a unique contribution from an Old Myanmar Hand with wide ranging interests and insights.
