Esteban de Garibay y Zamalloa

Av. Independencia Rubí Carreño, 2013 Esta nueva aventura, aventón y avenida de escritura de Rubí Carreño ensaya variados movimientos de cuerpos y corpus: entreteje textos musicales, literarios y críticos, discursos académicos y callejeros, sujetos letrados-populares, redes familiares y transnacionales, manos (al teclado) con oídos e imaginación conceptual. En estas páginas, la autora escribe-escucha las voces quebradas y resistentes del Chile bajo dictadura, las hablas que resonaron en revistas culturales, las puntadas de letra-canto en Violeta Parra, los desgarros vocálicos en la narrativa de Diamela Eltit, los susurrantes y zozobrantes personajes de Alejandro Zambra, las canciones de subjetividades soñadoras hoy enfrentadas a las injusticias del capital neoliberal, las consignas cantos de las recientes movilizaciones estudiantiles, o los disruptivos afan y ulkantun de Mapuches que se alzan contra “el viejo monólogo de la situación colonial” (Fanon). Con todas estas mezclas de voces, tonos y compases, de inesperadas intersecciones entre registros letrados, orales y sonoros, de chilenos, argentinos, mexicanos y sujetos indígenas, de nortes y sures, Rubí Carreño agencia un modo movedizo de reflexionar y escribir –como la sangre que pulsa en su propuesta biopoética. Se trata de lenguajes e ideas que no se fijan ni se dejan aprehender por la policía del claustro académico. Disidencia es, aquí, disonancia. Estamos, por ende, ante un escrito que desafía los “amarres” heredados; un escrito en constante y sonante movimiento, bailando-cantando-protestando-escribiendo; en suma, un escrito decididamente contra-represivo y contradisciplinario. Desde dicha plataforma, Av. Independencia: literatura, música e ideas de Chile disidente de Rubí Carreño da forma al corpus afectivo, sentimental, gozoso, estético, laboral y político que se encarna en su originalísima escritura-oyente. LUIS E. CÁRCAMO-HUECHANTE. University of Texas.

El libro de la Cumbia Juan Diego Parra Valencia, Federico Ochoa, Juan Sebastián Ochoa, Arturo Quispe Lázaro, Juan Mullo Sandoval, Juan Francisco Sans, Lorenzo Escamilla, colectiva Tiesos pero cumbiancheros, José Juan Olvera, Manuel Massone, Mario Celentano, Mariano De Filippis, 2019-12-30 La historia de la cumbia no se desarrolla de forma lineal. Aunque la tradición impide considerar fenómenos por fuera del relato secuencial, también trae consigo una preocupación por los discursos que la legitiman. La cumbia en Latinoamérica debe entenderse como un asunto virulento, de intercambios y pactos, más que como un lazo genitivo de filiación. Por ello, este libro busca conocer los procesos de contagio e inoculación del fenómeno, casi siempre promovidos por estrategias de difusión comercial, intereses de configuración simbólica y discursos ideológicos. Así, antes de hablar de la cumbia en Latinoamérica, se hace referencia a las cumbias, en plural, ya que se trata

de variaciones y transformaciones que definen trayectorias y construyen imaginarios.

Public Pages Marcy Schwartz,2018-05-02 Public reading programs are flourishing in many Latin American cities in the new millennium. They defy the conception of reading as solitary and private by literally taking literature to the streets to create new communities of readers. From institutional and official to informal and spontaneous, the reading programs all use public space, distribute creative writing to a mass public, foster collective rather than individual reading, and provide access to literature in unconventional arenas. The first international study of contemporary print culture in the Americas, Public Pages reveals how recent cultural policy and collective literary reading intervene in public space to promote social integration in cities in Colombia, Argentina, Brazil, Mexico, and Chile. Marcy Schwartz looks at broad institutional programs such as UNESCO World Book Capital campaigns and the distribution of free books on public transportation, as well as local initiatives that produce handmade books out of recycled materials (known as cartoneras) and display banned books at former military detention centers. She maps the connection between literary reading and the development of cultural citizenship in Latin America, with municipalities, cultural centers, and groups of ordinary citizens harnessing reading as an activity both social and literary. Along with other strategies for reclaiming democracy after decades of authoritarian regimes and political violence, as well as responding to neoliberal economic policies, these acts of reading collectively in public settings invite civic participation and affirm local belonging.

The Mexican Filmography, 1916 through 2001 David E. Wilt,2024-10-17 Mexican cinema has largely been overlooked by international film scholars because of a lack of English-language information and the fact that Spanish-language information was difficult to find and often out of date. This comprehensive filmography helps fill the need. Arranged by year of release and then by title, the filmography contains entries that include basic information (film and translated title, production company, genre, director, cast), a plot summary, and additional information about the film. Inclusion criteria: a film must be a Mexican production or co-production, feature length (one hour or more, silent films excepted), fictional (documentaries and compilation films are not included unless the topic relates to Mexican cinema; some docudramas and films with recreated or staged scenes are included), and theatrically released or intended for theatrical release.

Músicas y prácticas sonoras en el Caribe colombiano Ochoa Escobar, Federico,Rojas, Juan Sebastián ,2022-12-06 El presente trabajo comprende, en dos volúmenes, la voz actual de investigadores que abordan, desde variadas perspectivas, disciplinas, metodologías y marcos teóricos, el estudio y análisis de diversas músicas y prácticas sonoras en el Caribe

colombiano. El primer volumen, que usted tiene en sus manos, reúne textos que abordan diferentes cosmovisiones, significados y prácticas de las músicas locales y de tradición oral. El segundo, compila artículos que exploran las músicas populares, masivas y mediatizadas, o bien la relación de algunas músicas tradicionales con la industria musical. En conjunto, ambos volúmenes presentan un panorama actual y diverso, desde una perspectiva multidisciplinar, de las músicas del Caribe colombiano. Por el rigor y calidad de los textos incluidos, el presente trabajo constituye un hito en cuanto a las investigaciones sobre el tema. Esperamos que este libro sea una catapulta que multiplique el interés y el desarrollo de trabajos de investigación sobre asuntos tan importantes para las comunidades, académicos y público en general dentro y fuera de la región, como es el caso de las prácticas musicales en el Caribe colombiano.

Crónicas El Tiempo 2014 Varios Autores, 2014-12-01 Este libro contiene una compilación de crónicas, ensayos, reportajes y perfiles que a lo largo de 2014 ocuparon un espacio en las páginas de El Tiempo, pero que no son escritos de un día, como suelen ser los que se publican en un diario, sino que trascienden el momento y la noticia para tocar lo profundo de cada personaje o situación y convertirse así en historias sin tiempo, dignas de ser releídas y entregadas en un libro. De esta manera, periodistas, aunque también algunos humanistas, escritores, hombres de ciencia o de las artes, dejan en este libro distintas miradas del país y el mundo de los últimos 365 días, a través de narraciones memorables. Ya en 2013 se hizo un primer experimento al reunir las mejores crónicas publicadas durante el año y el éxito en ventas habló por sí solo del interés de los lectores por conservar en las páginas de un libro esas crónicas que, a pasos largos, avanzan más allá del género periodístico para entrar en los terrenos de lo literario. Así pues, de la mano de Juan Esteban Constaín, columnista, historiador, escritor y periodista, colaborador de El Tiempo Casa Editorial y quien se encargó de la selección de esta antología, se hizo esta segunda entrega de Crónicas El Tiempo.

Crónicas El Tiempo 2015 Varios Autores, 2017-07-11 ... este año, como el anterior y el anterior, vuelve a salir este libro que recoge algunas de las mejores crónicas y algunos de los mejores perfiles publicados en El Tiempo desde enero hasta hoy. Con él se le hace justicia a uno de los fines esenciales de todo periódico que no es solo el de informar sino también, y sobre todo, el de enriquecer la información con el análisis y el pensamiento, con las historias que hacen posible la comprensión de lo que ocurre en todos sus pliegues y matices. Y más en un mundo como el nuestro en el que aun antes de despertarnos, todos los días, ya estamos atiborrados de toda clase de noticias y opiniones del universo entero que reverbera en nuestro teléfono como una cafetera o aun mejor, como una máquina para hacer crispetas. Ante esa nueva realidad inocultable, la del ritmo sin descanso y sin privacidad de la vida de todos, los periódicos de papel se han convertido en un verdadero refugio para que en ellos salgan cosas que en ninguna otra parte van a salir. No así, por lo menos. Se trata, claro, de un espacio desigual, pues no todos los días tenemos la suerte y la gracia de encontrarnos en la mañana, frente al café, con una pieza magistral.

Historia comparada de las literaturas argentina y brasileña - Tomo VI Marcela Croce, 2020-05-01 Este sexto y último tomo de la Historia comparada de las literaturas argentina y brasileña se ocupa del período que se extiende entre 1970 y 2010. Este momento de la historia se corresponde a la expansión y consolidación de varios fenómenos que se difundieron a través de las industrias culturales en auge. De ese amplio catálogo participan la crítica instalada como género, los coletazos del boom de los 60 que redundan en el despliegue de un público lector creciente (con Cortázar y Amado como autores emblemáticos), la historieta en tanto cruce de códigos que da cuenta del contexto social y político (Mafalda y Mónica) y el cine que abandona los cánones comerciales para alternar entre el documentalismo de Birri y la creación original de Glauber Rocha. En otro orden, América Latina es centro irradiador de la Teología de la Liberación, que encuentra en Argentina y Brasil acaso su origen, o al menos sus enunciadores más relevantes. Algo similar ocurre en el plano musical, donde el rock –con aditamentos locales que le proveen un sesgo tanguero o un aire de bossa nova– se equipara a la poesía. Así, mientras en la letras de las canciones prolifera la subjetividad del habitante urbano, en la obra de las grandes poetisas, que tienen en Pizarnik y Hilst sus nombres mayores, se inscribe la subjetividad astillada o provocadora. Son la contracara de la mirada sobre la ciudad sitiada que abruma en la narrativa de Soriano y Fonseca y cuyo correlato marginal se impone en Ferréz y Cucurto en el recorrido que propone el volumen final de esta colección.

Between Norteño and Tejano Conjunto Luis Díaz-Santana Garza, 2021-06-11 Between Norteño and Tejano Conjunto analyzes the origin, evolution, and dissemination of the norteño and tejano conjunto. This group represents a marginalized local identity that was transformed primarily into an identity of the northeast. It then gave way to the whole of northern México and the American Southwest, and was later assimilated internationally as a mainstream genre. This book provides a long-term historic vision of conjunto and the various musical forms it uses, such as polka, corrido, or canción (song), and, more recently, bolero and cumbia, as well as its transformations and contributions to other musical cultures.

Music and Digital Media Georgina Born, 2022-09-12 Anthropology has neglected the study of music and this needs to be redressed. This book sets out to show how and why. It does so by bringing music to the subfield of digital anthropology, arguing that digital anthropology has much to gain by expanding its horizons to music – becoming more interdisciplinary by reference to digital/media studies, music and sound studies. Music and Digital Media is the first comparative ethnographic study of the impact of digital media on music worldwide. It offers a radical and lucid new theoretical framework for understanding digital media through music, showing that music is today where the promises and problems of the ‘digital’ assume clamouring audibility – while acting as a testing ground for innovations in the digital-cultural industries. The book contains ten chapters, eight of which present comprehensive original ethnographies. The chapters between them addresses

popular, folk and art musics in the global South and North, including Kenya, Argentina, India, Canada and the UK/Europe, with each chapter providing a different regional or digital focus. The book is unique in bringing ethnographic research on popular, folk and art musics from the global North and South into a comparative framework on a large scale, and creates an innovative new paradigm for comparative anthropology. Praise for *Music and Digital Media* 'This exciting volume forges new ground in the study of local conditions, institutions, and sounds of digital music in the Global South and North. The book's planetary scope and its commitment to the "messiness" of ethnographic sites and concepts amplifies emergent configurations and meanings of music, the digital, and the aesthetic.' Marina Peterson, University of Texas, Austin 'The global drama of music's digitisation elicits extreme responses – from catastrophe to piratical opportunism – but between them lie more nuanced perspectives. This timely, absolutely necessary collection applies anthropological understanding to a deliriously immersive field, bringing welcome clarity to complex processes whose impact is felt far beyond what we call music.' David Toop, London College of Communication 'Spanning continents and academic disciplines, the rich ethnographies contained in *Music and Digital Media* makes it obligatory reading for anyone wishing to understand the complex, contradictory, and momentous effects that digitization is having on musical cultures.' Eric Drott, University of Texas, Austin 'This superb collection, with an authoritative overview as its introduction, represents the state of the art in studies of the digitalisation of music. It is also a testament to what anthropology at its reflexive best can offer the rest of the social sciences and humanities.' David Hesmondhalgh, University of Leeds 'Music and Digital Media is a groundbreaking update to our understandings of sound, media, digitization, and music. Truly transdisciplinary and transnational in scope, it innovates methodologically through new models for collaboration, multi-sited ethnography, and comparative work. It also offers an important defense of—and advancement of—theories of mediation.' Jonathan Sterne, McGill University 'Music and Digital Media is a nuanced exploration of the burgeoning digital music scene across both the global North and the global South. Ethnographically rich and theoretically sophisticated, this collection will become the new standard for this field.' Anna Tsing, co-editor of *Feral Atlas: The More-than-Human Anthropocene*
