**Religious Sensibilities in Pursuit of Sexual Well-Being** Amisah Zenabu Bakuri,2024-05-03 The self-identifying Ghanaian-Dutch and Somali-Dutch communities residing in the Randstad area of the Netherlands are deeply impacted by religious beliefs and cultural factors in their approach towards sexual health practices, well-being and pleasure. This book shows how religious sensibilities shape the physical activities, beauty practices, and gendered roles that are adopted into the daily lives of these communities in pursuit of their sexual and general well-being. Through an ethnographic account, it explores and challenges the assumptions held around the complex relationship between religion and sexuality.

*Even If.* Umm Zakiyyah,2017-12-07 A collection of heartfelt reflections from the author's personal journal, even if offers a glimpse into the painful and confusing world of suffering emotional trauma at the hands of those bound to you by blood and faith.

**Dilemmas of Authenticity** Zaid Adhami,2025-05-07 The past two decades have witnessed pervasive anxieties in US Muslim communities around a perceived crisis of faith. As Zaid Adhami argues in this richly textured ethnography, these concerns are fundamentally about the pressures and dilemmas of authenticity—what it really means to be a Muslim. While discussions about authenticity in Islam typically focus on maintaining tradition and competing claims to “true Islam,” Adhami focuses instead on the powerful idea of being true to one’s own self and what it means to have genuine belief. Drawing on extensive conversations with American Muslims and careful readings of broader communal discourse, Adhami shows that

this drive for personal authenticity plays out in complicated ways. It can produce deep doubt while also serving as the grounds to affirm tradition. It can converge with revivalist modes of piety, but it can also prompt emphatic challenges to communal orthodoxies. Through vivid storytelling and sensitive analysis, Adhami illuminates why religious doubt is often a source of intense anxiety in today's world and how people maintain their faith despite such unsettling uncertainty.

**I Almost Left Islam** Umm Zakiyyah, 2017-05-31 Your mind, life, and soul are not your own, she was told. Obey scholars because they know Islam better than you. So she sacrificed for the sake of Allah until she felt she could no longer be Muslim. **I'm Divorced Now** Umm Zakiyyah, 2024-10-24 In this 4th Anniversary Edition of I'm Divorced Now, Umm Zakiyyah offers what she calls a positive reframe of life and soul as she looks at the dissolution of her marriage four years ago through the lens of embracing soul-nourishing solitude instead of heartbreak and healing. On August 30, 2020, internationally acclaimed author and speaker, Umm Zakiyyah, parted from her second soul companion in marriage and made the difficult decision to heal in community instead of silence and shame. In this honest book, she shares her journey of love and heartbreak, which begins with a toxic relationship at eighteen years old and ends with walking away from a man she considered her soul mate. In a soul-touching effort to heal her own heart and inspire others along the way, Umm Zakiyyah shares deep personal reflections and interactive journal prompts as she gives us a glimpse into one of the most vulnerable times of her life.

*But Do You Feel Safe with Him?* Umm Zakiyyah, 2025-08-30

*Searching Below the Surface* Nakhati Jon, 2022-03-11 We all want to know how the God of the Bible differs from the Islamic Allah. How does a covenant-keeping God interact in the divine-human relationship? In what ways does a contract-demanding Allah vary from biblical truth? This comparative religious exploration will equip Christians to clarify the

difference. Searching Below the Surface: A Deeper look at Covenant and Contract prepares the reader to present biblical truths by exposing Muslim ideas. The book unearths the often-unseen perspectives of a covenant God called Yahweh and a deity prone to contract, Allah. The book seeks to answer these questions: How does Yahweh's Oneness promote covenant understanding? How do Muslims define the Absolute Oneness of Allah? How do the Creation accounts in the Bible and Quran reflect theology? In what ways does Islam ignore a covenant ethos? What are the implications of covenant and contract when applied to marriage? Since covenant marriage patterns divine oneness in how spouses relate and share sacrificially, this mode of marriage mirrors the character of the biblical God. Marriage in the Bible reflects a relationship found in the divine Godhead and how he interacts with believers. "Nakhati Jon skillfully searches below the surface to understand the roots of the thinking of our Muslim friends and neighbors, and Christians" Patrick Cate, Ph.D. In a covenant marriage, the husband and wife become one, which means more than physical oneness but a mystical, spiritual unity that reflects the Trinity of Oneness! Nakhati Jon Oneness describes the Islamic idea concerning deity but undermines the ideas of Islamic marriage. Nakhati Jon Excerpt: On another scorching, sweltering day in Central Asia, we traveled to the capital in our rented taxi. As per custom, my wife sat in the back with our kids while I sat in the front, chatting with the driver. Dust and welcome air flew in through the open windows, and we talked loudly to drown out the wind. Then, the inevitable conversation began: Driver: Central Asian women are beautiful, aren't they? (My back prickled in response to my wife's almost-palpable eye-roll.) Me: My wife is beautiful. Driver: You should get a second wife. (I felt my wife rethinking pacifism.) Me: (Emphatically) God is one! Therefore, I will have only one wife! Driver: Oh—this is true! (Pause) Does your wife speak the language? Me: Fluently. And she doesn't like what you're saying. Years later, my wife confessed she had ignored the illogic of the "One God/one wife" statement in return for its success as a conversation-stopper. But in researching, I happily discovered my shot at philosophy had been logical after all. In fact, my bit of accidental wisdom carried foundational truths about Yahweh's nature, his relationship with man, and his plan for marriage.

**What Did You Expect? Lessons on Spiritual Honesty** Umm Zakiyyah, 2020-12-11 Our hearts are filled with so much hope as we walk our personal paths in this world. At times we are enjoying tremendous blessings that fill us with happiness and contentment. Other times we are facing difficult trials that leave us feeling disappointed, emotionally broken, and on the brink of despair. In this timely book, internationally acclaimed author Umm Zakiyyah, asks her own struggling soul this provocative question, What did you expect? as she seeks to make sense of some of the most painful and confusing trials that we face in this world. Sometimes we respond with patience, other times with frustration, and still other times with seeking to change our spiritual reality itself. This, in hopes of getting what our hearts so ardently desire in this world. But is this what is healthiest for our lives and souls? In this collection of reflective prose, Umm Zakiyyah gives us a glimpse into her own personal journey as she shares seven life lessons that continue to inspire within her spiritual honesty, particularly when life

isn't going as expected.

**The History of al-Ṭabarī Vol. 39** ,2015-07-07 The present volume is a collection of excerpts from al-Ṭabarī's biographical work entitled The Supplement to the Supplemented (Dhayl al-mudhayyal). In the introduction to his History, al-Ṭabarī declared his intention to append to it a biographical work for the reader's convenience. Only a collection of excerpts has survived, however. It was first published as part of the Leiden edition of the History and is now presented as a volume in the Ṭabarī Translation Project. It brings together biographies of Companions, successors, and scholars of subsequent generations; many chapters are devoted to women related to the Prophet who played a role in the transmission of knowledge. The biographies vary in length and style, ranging from a mere identification of a person to long accounts and anecdotes. This volume represents a long tradition characteristic of Muslim culture. Muslim scholars developed biographical literature into a rich and complex genre. It was intended to be an auxiliary branch of religious study, aimed at determining the reliability of chains of transmission through which traditions were handed down. More often than not, however, works in this genre contain valuable historical information of the kind often ignored by the authors of mainstream history books. Even though not a complete work, this volume is thus not merely a supplement to al-Ṭabarī's History but also a source in its own right, often supplying new and rare insights into events and social conditions.

**You Don't Need to Forgive** Amanda Ann Gregory,2025 Feeling pressured to forgive offenders is a common reason why trauma survivors avoid mental health services and support. Trauma psychotherapist Amanda Ann Gregory explores the dangers of forced forgiveness and the benefits of elective forgiveness, which gives survivors the agency to progress in their recovery on their own terms.

**Routledge Handbook of Islam in the West** Roberto Tottoli,2022-02-21 With new topics and contributions, this updated second edition discusses the history and contemporary presence of Islam in Europe and America. The book debates the relevance and multi-faceted participation of Muslims in the dynamics of Western societies, challenging the changing perception on both sides. Collating over 30 chapters, written by experts from around the world, the volume presents a wide range of perspectives. Case studies from the Muslim presence in the Iberian Peninsula between the Middle Ages and the modern age set off the Handbook, along with an outline of Muslims in America up to the twentieth century. The second part covers concepts around new conditions in terms of consolidating identities, the emergence of new Muslim actors, the appearance of institutions and institutional attitudes, the effects of Islamic presence on the arts and landscapes of the West, and the relational dynamics like ethics and gender. Exploring the influence of Islam, particularly its impact on society, culture and politics, this interdisciplinary volume is a key resource for policymakers, academics and students interested in the history of Islam, religion and the contemporary relationship between Islam and the West.

**Storying Relationships** Richard Phillips,Claire Chambers,Nafhesa Ali,Indrani Karmakar,Kristina Diprose,2021-03-25

Storying Relationships explores the sexual lives of young British Muslims in their own words and through their own stories. It finds engaging and surprising stories in a variety of settings: when young people are chatting with their friends; conversing more formally within families and communities; scribbling in their diaries; and writing blogs, poems and books to share or publish. These stories challenge stereotypes about Muslims, who are frequently portrayed as unhappy in love and sexually different. The young people who emerge in this book, contradicting racist and Islamophobic stereotypes, are assertive and creative, finding and making their own ways in matters of the body and the heart. Their stories – about single life, meeting and dating, pressure and expectations, sex, love, marriage and dreams – are at once specific to the young British Muslims who tell them, and resonant reflections of human experience.
