

How To Kiss Your Best Friend

Amy Knupp

Rule #3: You Can't Kiss Your Best Friend Anne-Marie Meyer, 2023-06-23 It was supposed to be a simple kiss. That was all. Whoops. My plan was perfect: convince my best friend and school quarterback, Ethan, to be the final prize for my matchmaking test where the proceeds go to sending the band to Paris. Plus, if it matches me with my life-long crush, that's a bonus, right? What could go wrong? Apparently, a lot. First, the test matches me and Ethan. Which is easy to explain. Computers make mistakes all the time, right? Second, the girl I switch myself for seems perfect for Ethan. Maybe a bit too perfect. Third, my date with my crush goes horribly wrong and my first kiss tanks. Now, I'm pretty sure I'm destined to be alone while Ethan rides off into the sunset with his perfect match. Man, I've screwed up bad—especially when I ask Ethan the secrets to a good kiss. Big mistake. Feelings start to change and I'm pretty sure that our friendship isn't going to be enough anymore. Too bad I seem to be the only one in our duo who seems to feel this way. Some rules are meant to be broken. If you love best friends discovering their true feelings and intense first kisses, you'll love Rule #3: You Can't Kiss Your Best Friend. Grab your copy today! The Rules of Love Romance series contains full length, standalone romances that are full of happily ever afters.

How to Kiss Your Best Friend Jenny Proctor, 2022-05-24 He's a hot high school chemistry teacher living in a small town. She's a globetrotting journalist running from her past. They used to be best friends. Then one kiss changes everything. Kate Fletcher is my kryptonite. She's also my best friend. Former best friend? I'm not sure what you call it when we grew up attached at the hip and then she left Silver Creek (and me) to travel the world. The important thing is: Kate is back. (Temporarily.) And I'm still in love with her. (Permanently.) But something is different now. The attraction doesn't seem one-sided. I don't think I'm imagining the heat in Kate's eyes or the chemistry crackling between us. But will that be enough to keep Kate here, when, for as long as I can remember, all she's wanted to do is leave? I'm determined to give her a reason to stay. Family. Connection. Roots. And me. I'll have to start with sparks and fire, but if I take this step, there's no turning back to simple friendship. And if she doesn't feel the same way, I might lose her again—this time for good. How to Kiss Your Best Friend is a sweet romantic comedy with all the crackling chemistry and sizzling kisses you want in a closed-door romance but no explicit scenes.

Spring Spark Stacey Joy Netzel, 2016-10-05 It only takes one spark to start a fire... Ashley's best friend Reid has been the one constant in her life since her father left when she was in the fifth grade. She'll never admit to wondering about kissing him a time or two over the years because mistakes like that ruin friendships. Then one night, Reid crosses the line and changes everything between them. The spark he ignites reveals a possibility she never dared imagine, but fear of losing the friend she cherishes most keeps her from letting him pull her across the line with him. **This 13.5K bonus story is FREE to all newsletter subscribers who sign up at: staceyjoynetzel.com.** EXCERPT: "You really do look good tonight, Pez." She took the rose, then turned around to face him. The effects of the wine were suspect as she took a balancing step to the side. The restaurant's entrance light lit her up as she swayed her hips side to side, drawing his gaze down to where the hem of the dress skimmed against her bare thighs. His groin tightened at the sight of her creamy skin, and he quickly lifted his attention back up—only to be faced with her twirling the yellow rose petals against her tempting lips as she playfully batted her eyelashes again. "You like my new dress?" "Love it. You are smokin' hot." It was supposed to be a tease, but when her gaze met his, his pulse skipped with the realization he meant it in a way he'd never meant before. "Why, thank you, Net." Even as he returned her smile, he wondered what the hell was happening to him tonight? It was like something had sparked when she'd asked if he was going to kiss her goodnight, and everything she did since then fanned that spark into a full-on flame of desire. Was it a full moon that had him thinking he'd like nothing better than to kiss his best friend...and more? *Romancing Wisconsin*, a USA Today Bestselling Series from NY Times bestselling author, Stacey Joy Netzel To everything there is a season...
