*The Psychology of Love* Michele A. Paludi, 2012-03-09 From arranged marriages to online dating, this four-volume work presents everything from personal accounts to empirical evidence to document what creates love in our culture as well as around the world. The field of biology views love as a hard-wired mammalian drive, akin to thirst and hunger. In contrast, psychology views love from a social and cultural perspective where our drive to find love—and our responses to it—are highly dependent on societal norms. In *The Psychology of Love*, esteemed author and educator Michele A. Paludi examines love through all lenses, thereby providing readers a deeper understanding of the ways we can express caring, sensitivity, empathy, and respect toward one another. Each chapter in this comprehensive four-volume work includes a scholarly overview of empirical research and theories about the psychology of love. In addition, individuals' own definitions of love are included. Special attention is paid to accepted standards of love across a variety of cultures, the ways individuals express liking and love across the lifecycle, and patterns in dissolutions of friendships and romantic relationships, making note of gender and race differences.

*The Red Pill Book* Joseph Horrocks, 2019-04-11 If you wake up happily content, with love in your heart and grateful for the life you've been gifted, then you're already as rich as it gets. However, for many of us today, despite our best efforts, we yearn for an inner peace and positivity that can sometimes be elusive. But, humans are meant to dream and imagine! We're meant to strive for a better life. And there is only one way to achieve it: take action! *The Red Pill Book* will guide you towards the life you are meant to have. You will learn how to harness the immense power of your subconscious mind through increasing your self-awareness, practicing self-care, meditating, and preparing a personal plan for living a life of love and gratitude. Learning to harness the law of attraction is life-changing. But empowering your mind requires dedication and practice. The effort is worth it as you experience the changes it will bring to your life, beliefs, and values. Living your best life is in your hands. With *The Red Pill Book* as your companion, you can free your true potential for happiness and abundance to reach whatever it is that defines your hopes, dreams, and aspirations in life.

**Navigating the Gray** Asha Bianca, 2018-01-10 *Navigating the Gray* creates a path for loving those you disagree with and

*How to Deal With Everything* Silviu Pristavu, 2024-08-28 *How to Deal With Everything* is your essential guide to navigating the complexities of life with clarity, purpose, and inner peace. This book offers a holistic approach to personal growth, blending practical tools with profound insights to help you master your mind, transform your attitude, and cultivate a life of happiness and fulfilment. Beginning with an exploration of how our environment shapes our minds, this book reveals the power of conscious choice in redefining who we are and how we live. But it doesn't stop there. Each chapter delves deeper into the pillars of a meaningful life, covering topics such as: Attitude: Learn how your mindset shapes your reality and discover techniques to shift from negativity to positivity. Love: Understand the transformative power of love, both for yourself and others, and how it influences every aspect of your life. The Mirror Effect: Explore the concept of seeing yourself in the people you meet, and how this awareness can lead to greater self-understanding. Forgiveness: Find out how letting go of past hurts can free you and others, leading to inner peace and healthier relationships. The Golden Rule: Revisit this timeless principle and see how applying it can lead to more harmonious interactions with others. In the final chapter, you'll discover a toolbox of practical techniques to help you deal with whatever life throws your way. From affirmations and education to physical exercise, gratitude practices, and mindfulness, these tools are designed to empower you to live a balanced and fulfilling life. You'll also learn about the ancient Hawaiian practice of Ho'oponopono, a powerful method for healing and reconciliation. Whether you're looking to overcome challenges, improve your relationships, or simply find more joy in everyday life, *How to Deal With Everything* provides the wisdom and practical steps you need to succeed. Start your journey today, and take the first step toward a life of peace, happiness, and limitless potential.

**Messages from Children ... and What They Can Teach Grown-Ups** Kathleen O'Malley DC, 2013-04-24 and a little child shall lead them Early one Sunday morning, my daughter was cutting and pasting from a magazine as part of her second-grade homework assignment. She was singing, making up the words as she went along. She really caught my attention as she sang the words, Im doing what I was born to do. What a beautiful song, I said. So what were you born to do? She paused for just a brief moment, then looked at me with a grin and said, To be a kid. How do we stop fighting for our survival and get back to thriving? How do we return to that sense of knowing that all of our needs will be met? How do we restore that inborn trust, natural wonder, sense of joy and peace? How do we step unto our true path and come to know that for which we were made? According to Dr. Kathleen O'Malley, the answers lie in *Messages from Children and What They Can Teach Grown-ups*. It is a collection of eighty-eight timely and powerful messages for self-healing, personal growth and leading a more meaningful existence. It shows us how to power up our intuitive sense, pay attention to what really matters, and cultivate our creative energies. It serves as a reminder that every person is an expression of divine love and a gift to this

world.

Isaiah's Leper George D. O'Clock Jr.,2008-12-24 Roman Church hierarchy, do you need to have a massively destructive entity on a direct path toward your church steeples before you change your Godless ways? What does it take to make you realize the consequences of your denial and self-deception? You have the alleged murder of a recent pope-revelations of financial scandals-revelations of fraudulent excesses-revelations of massive sexual misconduct with children-revelations of avarice-revelations of depravity-revelations of a wide range of criminal acts-revelations of war crimes. These ugly dark deeds are not enough? Do you need a more direct message? Well, hang on to your cassocks reverend fathers, because there just might be another powerful entity, heading in your direction, that will be more than a match for the horror and darkness you have supported, nourished and promoted.

**The Torch of Hope and Inspirations** Annalyn J. Rasul,2020-03-23 The Torch of Hope and Inspirations is a personal collection of poems and the best inspirational quotes selected and compiled by the author. Divided into two parts, the first part is a collection of personal poems that touches on the themes of love, pain, infertility, betrayal, hope, and forgiveness. Poetry is a form of creative art therapy. It is therapeutic for both the writer and the reader. Writing poetry fosters emotional expression and healing through self-expression and exploration of one's feelings. For the reader, it allows one to see into the soul of another person, encourages the development of empathy, and provides space for self-reflection. In the second part, the author shares her favorite inspirational quotes from the greatest thinkers throughout history. The wisdom on these pages will inspire and motivate you to live life to its fullest. You will find some solace, a dose of inspiration, and insights about love, life, hope, happiness, forgiveness, giving, abundance, and gratitude. This book also seeks to encourage the reader to break free from the shadows of the past to forgive, heal, and move on.

*Yoga & Veganism* Sharon Gannon,2020-05-26 From a cofounder of Jivamukti Yoga, a guide to how the spiritual practice of yoga enriches both planetary and personal health—includes vegan recipes. In this book, the co-creator of the Jivamukti Yoga method explores the intersection between the spiritual practice of yoga, physical health, care for the planet, and a peaceful coexistence with other animals and nature. Through clear and accessible language, Sharon Gannon unpacks the wisdom of the Yoga Sutras of Patanjali, one of the oldest and most revered texts focused on the philosophy of yoga, and draws a fascinating course to greater enlightenment for the contemporary practitioner. With yama, or restraint, the Yoga Sutras outline the first step on the path to spiritual liberation through five ethical principles that help guide our relationships with the world around us: Ahimsa teaches us how to avoid personal suffering through not harming others, while satya reveals how telling the truth allows us to be better listened to. Through asteya, or nonstealing, we learn the secret of wealth. Brahmacharya reveals how refraining from sexual misconduct leads to health and vitality, and finally, aparigraha opens our eyes to the ways in which greed holds us back from true happiness and is destroying the planet. Yoga and Veganism shines a

light on these five guiding principles, demonstrating how the practice of yoga is tied to an ethical vegan lifestyle, which opens the path to both physical wellness and spiritual enlightenment. Featuring a selection of delicious recipes from the author along with personal essays from individuals whose lives have been transformed by veganism—including filmmaker Kip Andersen (Cowspiracy) and Ingrid Newkirk, president of PETA—Yoga and Veganism provides a framework for yoga students and teachers looking to bring their asana practice into alignment with the philosophy at the heart of the discipline, as well as with the Earth around them and all of the beings within it.

**Surviving Chaos** Robert G. Fritchie, 2009-03 Shortages of water, food and lifesaving medicines abound. Destabilization of lives has led to an increase in violent behavior. We are all threatened by environmental pollution and radiation. Divine Love is an incredible energy force with the power to change anything. In this book you will be taught a Process with which you can make changes. You will learn how to positively affect food, water, agriculture, people and anything that you desire to help. Our intent is to make this Process known to you so that you are not exclusively dependent upon others for your own well-being and survival. The Process is given to you with love. Use the Process correctly and experience change!

*Consciousness: The Final Frontier* Dada Gunamuktananda, 2023-05-20 Your journey to inner peace and fulfilment Based on the popular TEDx talk of the same name, *Consciousness: The Final Frontier* takes us on a journey of self-discovery. Merging the esoteric and the mundane, tapping into ancient and contemporary wisdom, and using real-life examples, Dada Gunamuktananda explores the concept of our own consciousness as part of—indeed one with—a conscious universe. He shows how to connect with the supreme teacher within us through simple and sustainable changes to our daily life. These changes include following a yogic lifestyle, practising meditation, maintaining good hygiene and health, among others. This book not only puts forth the case for a conscious universe and how a life lived in consciousness leads to inner peace, love and fulfilment within oneself, but also how these positive feelings can overflow into love and compassion for all. Combining philosophy and practice, Dada explains how even in times of crisis—even amidst the life challenges of today's world—it is possible to not just survive but to thrive and strive for a better self and a better world.

Movement Medicine Susannah Darling-Khan, Ya'Acov Darling-Khan, 2009-09-07 Bring the Life of the Dance into the Dance

of Your Life Movement Medicine is a grounding and uplifting modern meditation practice rooted in the traditions of ecstatic dance. It's suitable for anybody in a body. Everyone, no matter their age, shape or background, has a dancer inside them. This dancer has the capacity to access wisdom, vitality and creativity that we cannot access with intellect alone. The exercises in this book combine movement and meditation to guide you on a profound and transformational journey. Movement Medicine invites you to take a journey to the soul through 9 Gateways. It is informed by a wealth of healing and transformational modalities, and is designed to support your soul to grow and flourish to face the challenges of life in the 21st century. The 9 Gateways are broken down into three journeys, each with a specific intent: The Journey of Empowerment - the Gateways of Body, Heart and Mind The Journey of Responsibility - the Gateways of Past, Present and Future Living the Dream - the Gateways of Fulfilment, Interconnection and Realisation. These 9 Gateways are all woven together to help you embody your essential self, expand your consciousness and live the most creative and fulfilling existence you can.

Saved Suzy Blake,2022-06-22 Planet Earth was a Garden of Eden just a few thousand years ago. Today it is plagued with pollution and starvation happening everywhere. There is more disease yet a failing medical system. The U.S. is divided politically and crumbling from a government more focused on personal enrichment than the needs of the people. What is worth saving? Can the planet and humanity go through a re-boot? Will Earth ever be as advanced as the other inhabited planets? What if there were no hungry people on the planet? What if there was world peace? Reading SAVED is a riveting fiction tale and an adventure of possibilities. Could you handle living on the New Earth? Researchers have proven, scientifically, that humans are all one people. We are one species each of us much, much more alike than different. We are all of the same stardust. We are all going to live and die on the same planet, a Pale Blue Dot in the vastness of space. We have to work together. Bill Nye

The Return of Ethics and Spirituality in Global Development Mahmoud Masaeli,Rico Sneller,2020-06-02 The theory of modernization basically reduces the meaning of development to economic growth often measured by Growth Domestic Product of the country or overall purchase power parity of the nation. This approach ignores the variety of perspectives on development, hence excludes the role of culture, identity, and spirituality as social determinants of good development. More importantly, modernization theory which informs the mainstream view on development ignores the structural causes of underdevelopment, including colonial heritage or the current unbridled capitalism in many societies. Against reductionist views of development, fundamental questions are raised about the theory and programming of development. From what perspective is the conception of development perceived? Who should decide and depict development goals? What kind of development could result in desirable changes? Is it morally desirable to dictate an exclusively Western understanding of development to others? Is there any link between development and a right of nations to self-determination? Who is morally accountable for global inequality or 'bad development'? The novelty of this book lies in its multidisciplinary approach in

exploring the role of ethics and spirituality as the curing alternates for the gamut of ills which originate in global inequality. All authors are academics based in a variety of countries and specialize in questions concerning development and spirituality.

**The Science of the Soul** Dr. Michael H. Likey Ph.D. H.Dip.,2011-12-06 The Science of the Soul presents Dr. Michael Likeys complete guide to pursuing and excelling at whatever task or goal you may chose. The potential of the human soul is limitless, and Dr. Likey provides all of the psychological, metaphysical, and practical tools at his disposal to enable anyone to access this inner power or potential, sometimes referred to as ones higher self. The wisdom offered in The Science of the Soul is designed not only for studying and for practicing, but also for integrating into ones everyday living. The ideas that Dr. Likey discusses have been tested over the years by many of the worlds greatest seers, teachers, authors, and coaches. Spiritual laws are merely metaphors for the natural laws; though unseen, that are always at work in the world around us. The Science of the Soul offers a path for a deeper connection and the transformation of the soul. Using the methods presented here, you can gain greater quality of life, deeper love, and inner peace, focused on your true life purposes.

**The Inner Bonding Workbook** Margaret Paul,2019-03-01 Written by the best-selling author and cocreator of the powerful Inner Bonding® self-healing process, this workbook shows readers how to take responsibility for their own happiness, love themselves unconditionally, and access their own spiritual guidance. With this guide, readers will discover a life-changing six-step process to connect with the divine, tap into a higher source of love and truth, and realize a deeper sense of freedom and personal power.

**Naturalopy Precept 12: Love** Trung Nguyen,2015-01-14 In order to truly love someone, we must learn to love ourself first—we can only give to others what we have. When a person is incapable of loving anyone, it means they're incapable of loving themself. This person needs to learn to accept themself for who they are and be honest with their shortcomings. Remember, no one is perfect, so we should learn to accept our imperfections and quirks. We are unique because of them...

**The Mindful Athlete** George Mumford,2015-04-17 The all-star advisor to athletes like Kobe Bryant and Michael Jordan shares his revolutionary mindfulness-based program for elevating athletic performance—featuring a foreword by legendary NBA coach Phil Jackson. “George helped me understand the art of mindfulness. To be neither distracted or focused, rigid or flexible, passive or aggressive. I learned just to be.” —Kobe Bryant Michael Jordan credits George Mumford with transforming his on-court leadership of the Bulls, helping Jordan lead the team to six NBA championships. Mumford also helped Kobe Bryant, Andrew Bynum, and Lamar Odom and countless other NBA players turn around their games. A widely respected public speaker and coach, Mumford is sharing his own story and the strategies that have made these athletes into stars in The Mindful Athlete: The Secret to Pure Performance. His proven, gentle but groundbreaking mindfulness techniques can transform the performance of anyone with a goal, be they an Olympian, weekend warrior, executive, hacker, or artist. When Michael Jordan left the Chicago Bulls to play baseball in 1993, the team was in crisis. Coach Phil Jackson, a

long-time mindfulness practitioner, contacted Dr. Kabat-Zinn to find someone who could teach mindfulness techniques to the struggling team—someone who would have credibility and could speak the language of his players. Kabat-Zinn led Jackson to Mumford and their partnership began. Mumford has worked with Jackson and each of the eleven teams he coached to become NBA champions. His roster of champion clients has since blossomed way beyond basketball to include corporate executives, Olympians, and athletes in many different sports. With a charismatic teaching style that combines techniques of engaged mindfulness with lessons from popular culture icons such as Yoda, Indiana Jones, and Bruce Lee, Mumford tells illuminating stories about his larger-than-life clients. His writing is down-to-earth and easy to understand and apply. The Mindful Athlete is an engrossing story and an invaluable resource for anyone looking to elevate their game, no matter what the pursuit, and includes a foreword by Phil Jackson.
