The Promise of Beauty Mimi Thi Nguyen, 2024-09-20 In *The Promise of Beauty*, Mimi Thi Nguyen explores the relationship between the concept of beauty and narratives of crisis and catastrophe. Nguyen conceptualizes beauty, which, she observes, we turn to in emergencies and times of destruction, as a tool to identify and bridge the discrepancy between the world as it is and what it ought to be. Drawing widely from aesthetic and critical theories, Nguyen outlines how beauty—or its lack—points to the conditions that must exist for it to flourish. She notes that an absence of beauty becomes both a political observation and a call to action to transform the conditions of the situation so as to replicate, preserve, or repair beauty. The promise of beauty can then engender a critique of social arrangements and political structures that would set the foundations for its possibility and presence. In this way, Nguyen highlights the role of beauty in inspiring action toward a more just world.

Explores the national, international, and transnational contexts of US ethnic literature Addresses how technology and digital access to archival materials are impacting the study, reception, and writing of multiethnic literature Discusses how recent developments in critical theory impact the reading and interpretation of multiethnic US literature Highlights significant themes and major critical trends in

The North Star Julian Sher,2024-05-21 FINALIST FOR THE MAVIS GALLANT PRIZE FOR NON-FICTION • LONGLISTED FOR THE J. W. DAFOE BOOK PRIZE • A riveting account of the years, months and days leading up to the assassination of President Abraham Lincoln, and the unexpected ways Canadians were involved in every aspect of the American Civil War. Canadians have long taken pride in being on the “good side” of the American Civil War, serving as a haven for 30,000 escaped slaves on the Underground Railroad. But dwelling in history's shadow is the much darker role Canada played in supporting the slave South and in fomenting the many plots against Lincoln. The North Star weaves together the different strands of several Canadians and a handful of Confederate agents in Canada as they all made their separate, fateful journeys into history. The book shines a spotlight on the stories of such intrepid figures as Anderson Abbott, Canada's first Black doctor, who joined the Union Army; Emma Edmonds, the New Brunswick woman who disguised herself as a man to enlist as a Union nurse; and Edward P. Doherty, the Quebec man who led the hunt to track down Lincoln's assassin, John Wilkes Booth. At the same time, the Canadian political and business elite were aiding the slave states. Toronto aristocrat George Taylor Denison III bankrolled Confederate operations and opened his mansion to their agents. The Catholic Church helped one of Booth's accused accomplices hide out for months in the Quebec countryside. A leading financier in Montreal let Confederates launder money through his bank. Sher creates vivid portraits of places we thought we knew. Montreal was a sort of nineteenth-century Casablanca of the North: a hub for assassins, money-men, mercenaries and soldiers on the run. Toronto was a headquarters for Confederate plotters and gun-runners. The two largest hotels in the country became nests of Confederate spies. Meticulously researched and richly illustrated, The North Star is a sweeping tale that makes long-ago events leap off the page with a relevance to the present day.
