**Biography of Hazrat Syed Ahmed Badepa, Hyderabad** Mohammed Abdul HAFEEZ, 2017-08-28 In this book translation of episodes from Urdu language are added from the old books of Hyderabad. These episodes have been taken from the old books of Deccan (South India) and in which there are available some great achievements of the Sufi saints of Deccan, which are not yet known to the public are added in this book. Due to the above facts and details, if the readers will start reading its first page of the book and will not stop reading till they will reach this book's last page as some interesting events and as well as other great miracles and endeavours of holy saints are added in this book and these holy saints were passed away from the world many centuries years ago. Even though this is a small book but due to its importance it is so great due to the coverage of many interesting events and positive information so it is like an ocean of knowledge and information of holy saints who were passed away from the world upon doing their great endeavours and many hard tasks for the preaching and propagation work of Islam in the foreign lands so this book is a small one but it will present the ocean of knowledge for the guidance of people towards the right path of Islam. In the beginning of this book the translator's brief biography is added for the reader's information and reference. To write about these great pious personalities of the Deccan (South India) area is not only it is difficult, but it is very hard task as they did many great endeavours by writing Islamic books as well as for the preaching and propagation work of Islam in Hyderabad and around Hyderabad region and there were no such personalities during their time. In this book the first episode of Hazrat Khaja Bande Nawaz Gesu Daraz of Gulberga is added and his brief introduction is as follows. To write about this great Sufi saint and great author is not only it is difficult and but it is very hard task as Khaja Sahib was not only a great pious personality of his time in the area of the

Deccan (South India) but he was also a great author of so many great books so in brief he was Qu'tub (highest cadre in spiritual pivot at axis) of his time in the Deccan region. For a long time he was engaged in religious discourses, sermons, and spiritual training of the people and he did also many great endeavours for the preaching and propagation work of Islam in Deccan and around this region and there was no such personality during his time. In this book there are available brief biographies of holy Sufi saints and one episode about Hadrat Tipu Sultan and one episode about Queen Hyat Bakshi Begum of Golconda Kingdom and one episode the album of Bider is added in it. The readers will find interest in reading this book due to the positive information and great details of some Sufi saints who had arrived in Hyderabad in the olden days when there was no light of Islamic religion was available at that time in Hyderabad and around Hyderabad region. This book is edited and formatted as per the great book 'Muslim saints and Mystics' in English version (Tadhkirtal Auliya by Farid al Din Attar) which is very famous in the Western world among the English knowing persons. So for this reason there will be some small differences in it while comparing with the Urdu books and its literature.
