Adultish Charlotte Markey, 2024-08-01 Discover the ultimate guide to taking on adulthood with body confidence. In a world where body satisfaction plummets during adolescence, and a global pandemic and social media frenzy have created extra pressure, *Adultish* is a survival kit for young adults. This all-inclusive book provides evidence-based information on everything from social media and sex to mental health and nutrition. Packed with valuable features like Q&As, myth-busting, real-life stories, and expert advice, it is a go-to source for discovering the importance of self-acceptance and embarking on a journey towards loving the skin you're in.

Quicklet on Pretty Little Liars Season 1 (CliffsNotes-like Book Summary) Claire Shefchik, 2012-03-04 Quicklets: Your Reading Sidekick! ABOUT THE BOOK *Pretty Little Liars* centers around four teenage friends from an upscale small town in Pennsylvania, who are reunited after another friend disappears. The show debuted on ABC Family TV network on January 23, 2011 with a run of ten episodes. The idea for the series, however, began years before, when the producers at Alloy Entertainment, the company behind *The Sisterhood of the Traveling Pants* and the *Gossip Girl* series, first conceived of a book they described as *Desperate Housewives* for teens. To write the series, they hired author Sara Shepard, who grew up in a town much like Rosewood, Pa., where the *Pretty Little Liars* book series and television series takes place. They wanted to come up with something for her, Farrin Jacobs, an editor at HarperTeen books, told *Publishers Weekly*. It was a case of the right writer and the right idea at the right time. The first book in the series debuted in 2005 and proved popular. By 2012, the series had expanded to include *Flawless*, *Perfect*, *Unbelievable*, *Wicked*, *Killer*, *Heartless*, *Wanted*, *Twisted*, *Ruthless*, and *Stunning*. Shepard plans to write 12 books in all. It's a careful dance between giving readers something with each book, but also keeping them wanting to find out what happens next, said Jacobs of the books. They love the guessing game. MEET THE AUTHOR Claire Shefchik, a native of Minnesota, received an MFA in creative writing from Sarah Lawrence College. Her writing on arts and entertainment has appeared on *USAToday.com*, *Spinner*, *The Faster Times*, and many blogs. She can be found on Facebook and on Twitter @clairels. EXCERPT FROM THE BOOK Just like Alison, A seems to know all their secrets. Aria, an artsy girl who has just come back from a year in Iceland, has begun a relationship with her new English teacher, Ezra (aka Mr. Fitz). Emily, a top swimmer from a military family, has developed romantic feelings for a female friend, Maya St. Germain. Spencer, an intelligent overachiever, is fooling around with her sister's fiancé. And Hanna, now the school It girl

and best friends with formerly nerdy Mona Vanderwall, is a shoplifter and still insecure about the weight she had to lose to become popular. But most of all, the girls are worried about As knowledge of what they refer to as The Jenna Thing. Alison, with the girls help, made a plan to retaliate against Toby Cavanaugh, a neighborhood boy whom Alison had accused of spying on the girls. She sets fire to his house, but ends up blinding his stepsister, Jenna Marshall. Toby is blamed for the fire and sent away to reform school for a year. Now, however, both siblings are back in Rosewood and attending school... Buy a copy to keep reading! Girls' Series Fiction and American Popular Culture LuElla D'Amico,2016-03-01 Girls' Series Fiction and American Popular Culture examines the ways in which young female heroines in American series fiction have undergone dramatic changes in the past 150 years, changes which have both reflected and modeled standards of behavior for America's tweens and teen girls. Though series books are often derided for lacking in imagination and literary potency, that the majority of American girls have been exposed to girls' series in some form, whether through books, television, or other media, suggests that this genre needs to be studied further and that the development of the heroines that girls read about have created an impact that is worthy of a fresh critical lens. Thus, this collection explores how series books have influenced and shaped popular American culture and, in doing so, girls' everyday experiences from the mid nineteenth century until now. The collection interrogates the cultural work that is performed through the series genre, contemplating the messages these books relay about subjects including race, class, gender, education, family, romance, and friendship, and it examines the trajectory of girl fiction within such contexts as material culture, geopolitics, socioeconomics, and feminism.

Year's Best Young Adult Speculative Fiction 2013 Julia Rios,Alisa Krasnostein,2016-01-01 Our goal is to uncover the best young adult short fiction of the year published in the anthologies dedicated to the form, the occasional special edition of a magazine, and individual pieces appearing in otherwise "adult" anthologies and magazines, and bring them together in one accessible collection. Public Library Collections in the Balance Jennifer Downey, 2017-07-25 A fascinating and informative read for librarians, library staff, and MLIS students, this book offers practical information and professional guidelines to examine current issues in censorship and libraries while also enabling readers to consider their own opinions about intellectual freedom. This book addresses contemporary issues in censorship and intellectual freedom and can serve as an invaluable resource for librarians and other library staff and as an eye-opening read for MLIS students. It covers the waterfront of intricate and thorny issues regarding intellectual freedom, including determining strategies for patron privacy, deciding how to filter public computers, handling challenges to items in a collection, and recognizing and eliminating under-the-radar self-censorship during collection development and weeding. Readers will also gain an understanding of the perils of over-reliance on community assessments and other evaluative tools and consider important concerns of public library employees, such as whether to restrict borrowing privileges of R-rated movies and M-rated video games to patrons of various ages, and the legalities that surround these questions. Each chapter blends instructive background narrative with practical advice, research findings, and relevant information about librarianship's professional guidelines, including the ALA's Library Bill of Rights and the Freedom to Read Statement. Vignettes, what would you do? examples, effective nonconfrontational techniques for conflict resolution, and lists of tips and traps help readers to think critically about their own biases and rehearse possible responses to controversial situations. Librarians, library staff, and MLIS students can use this book for personal professional development, as supplemental reading for MLIS courses or professional training workshops, or as a resource for library policy-planning discussions.

Year's Best YA Speculative Fiction 2015 Julia Rios, Alisa Krasnostein, 2016-10-12 Fans of Kaleidoscope will find more tales of wonder, adventure, diversity, and variety in this collection devoted to stories with teen protagonists. Finding My Voice Simran Modi,2012-05-12 In this book you will find a collection of works that represent me as an individual. These pieces show my voice, style, and opinion in a multitude of genres. A persuasive piece that I have included is a letter to my teacher about my opinion on censoring books. This shows my voice because it truly expresses what I believe about censorship. An expository piece that I have included is titled My Relaxing Place, and it describes my favorite place to unwind after a stressful day. Another expository piece I have included is a heartfelt essay about my cousin. She is the same age as I am, and we share many memories together. In a way, this collection of various pieces of literature is a memoir that reflects my life.

Rosewood Confidential Liv Spencer,2012-07-12 For all the juicy details on the breakout hit TV show that's got people talking, tweeting and tuning in week after week, look no further than *Rosewood Confidential*. This is the first companion volume to the dark deeds, ugly secrets and flashy fashions to the popular TV show *Pretty Little Liars*, which is currently playing on MTV in the UK. The winner of six Teen Choice awards, the show is a fan-favourite, ratings success and Twitter trending topic every time a new show airs.

Library 101 Claire Gatrell Stephens,Patricia Franklin,2015-08-26 This professional primer provides the blueprint to help you create a school library program, covering all aspects of library management such as budgeting, eBook use, purchasing, and teacher collaboration. Advice and strategies from experts in the field will help you master collection development, library administration, recruitment, and staffing. This handbook is the perfect introduction to school library management for both novice and seasoned professionals. The authors—both experienced school librarians—provide basic guidelines for overseeing an effective library program, practical examples that can be used to implement quality lessons, comprehensive coverage of key topics including daily tasks and human resource management, and ideas for the future of school library management. The provided strategies make setting up and running a program easy for professionals at any level. The second edition includes updated information on the latest trends, terminology, and technologies current in the field. The book is organized into three sections: focusing on daily operations; your role as a teacher collaborator and visionary; and methods for managing a collection. Included resource lists, sidebars, charts, and pictures offer tips and ideas for successfully implementing your plans.

BriarCliff Vol 1 Lorraine Beaumont, USA TODAY RECOMMENDED READ - The paranormal romance that centers the story and pulls you into its embrace like a lover you had forgotten how much you enjoyed kissing. There is mystery and more than anything there is the need to find out what dark secret lies at the core of it all.” Sookie Stackhouse Reviews Briar Cliff Township might look like any other picturesque New England town, but it harbors a dark secret. For much of the year it is indeed like so many of the little towns of privilege tucked away amongst the forests of the New England coast. But when the winds change old stirrings arise from forgotten misdeeds and a thirst for vengeance.

Don't Look Behind You Lois Duncan,2010-10-05 April Corrigan's life is turned upside-down when she when she learns that her father has been working secretly undercover for the FBI. When his testimony convicts a notorious drug dealer, the whole family must relocate and enter the Federal Witness Security Program. April's entire way of life changes--not just her name. And when she attempts to communicate with her boyfriend, an agent is killed. With thrills, chills, and a high-speed cross-country chase, master suspense writer Lois Duncan will leave readers breathless!

Defending Frequently Challenged Young Adult Books Pat R. Scales,2016-09-08 A Day No Pigs Would Die, Speak, Thirteen Reasons Why These are some of the most beloved, and most challenged, books. Leaving controversial titles such as these out of your collection or limiting their access is not the answer to challenges. While ALA's Office for Intellectual Freedom reports more than 4,500 challenges to young adult literature from 2000 through 2009. This authoritative handbook gives you the information you need to defend challenged books with an informed response and ensure free access to young book lovers. With a profile of each book that includes its plot and characters, related materials and published reviews, awards and prizes, and Web and audiovisual resources, you will be prepared to answer even the toughest attacks.

Media-Related Out-of-School Contact with English in Germany and Switzerland Maleika Krüger,2023-08-22 This open access book aims to close a critical research gap in understanding how frequently German-speaking adolescents come into contact with the English language through various media channels, such as television, books, or the internet, and how this contact influences learners' English competences. In addition, this research project explores the effect of family background and gender on this contact. The analysis shows frequent contact with English-language media content by young learners in Germany and Switzerland. More frequent contact was associated with higher language competences. Differences could be found in the preferences of media content and type of media channels due to socio-economic family background and gender.

ABC Family to Freeform TV Emily L. Newman,Emily Witsell,2018-03-02 Launched in 1977 by the Christian Broadcasting Service (originally associated with Pat Robertson), the ABC Family/Freeform network has gone through a number of changes in name and ownership. Over the past decade, the network--now owned by Disney--has redefined family programming for its targeted 14- to 34-year-old demographic, addressing topics like lesbian and gay parenting, postfeminism and changing perceptions of women, the issue of race in the U.S., and the status of disability in American culture. This collection of new essays examines the network from a variety of perspectives, with a focus on inclusive programming that has created a space for underrepresented communities like transgender youth, overweight teens, and the deaf.

Television Development Bob Levy,2019-01-18 Development is a large and central part of the American TV industry, and yet the details of how it works - who makes development decisions and why, where ideas for new shows come from, even basics like the differences between what TV studios and TV networks do - remain elusive to many. In this book, lecturer and

acclaimed television producer Bob Levy offers a detailed introduction to television development, the process by which the Hollywood TV industry creates new scripted series. Written both for students and industry professionals, *Television Development* serves as a comprehensive introduction to all facets of the development process: the terminology, timelines, personnel and industrial processes that take a new TV project from idea to pitch to script to pilot to series. In addition to describing these processes, Levy also examines creative strategies for successful development, and teaches readers how to apply these strategies to their own careers and speak the language of development across all forms of visual storytelling. Written by the renowned producer responsible for developing and executive producing *Gossip Girl* and *Pretty Little Liars*, *Television Development* is an essential starting point for students, executives, agents, producers, directors and writers to learn how new series are created. Accompanying online material includes sample pitches, pilot scripts, and other development documents. A companion website for the book is available here: <https://www.tvboblevy.com/>

Year's Best Young Adult Speculative Fiction 2014 Julia Rios, Alisa Krasnostein, 2016-02-14 Fans of Kaleidoscope will find more tales of wonder, adventure, diversity, and variety in this collection devoted to stories with teen protagonists. Brooks offers writers who are serious about attracting teen readers solid guidance through the creation process of writing YA fiction.—Library Journal

Coming of Age in Popular Culture Donald C. Miller, 2018-10-25 Documenting the evolution of teens and media from the 1950s through 2010, this book examines the films, books, television shows, and musical artists that impacted American culture and shaped the coming of age experience for each generation. The teenage years are fraught with drama and emotional ups and downs, coinciding with bewildering new social situations and sexual tension. For these reasons, pop culture and media have repeatedly created entertainment that depicts, celebrates, or lampoons coming of age experiences, through sitcoms like *The Wonder Years* to the brat pack films of the 1980s to the teen-centered television series of today. *Coming of Age in Popular Culture: Teenagers, Adolescence, and the Art of Growing Up* covers a breadth of media presentations of the transition from childhood to adulthood from the 1950s to the year 2010. It explores the ways that adolescence is characterized in pop culture by drawing on these representations, shows how powerful media and entertainment are in establishing societal norms, and considers how American society views and values adolescence. Topics addressed include race relations, gender roles, religion, and sexual identity. Young adult readers will come away with a heightened sense of media literacy through the examination of a topic that inherently interests them.

Literature for Young Adults Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives, and the books discussed throughout *Literature for Young Adults* have the potential to make that connection and motivate them to read. It explores a great variety of works, genres, and formats, but it places special emphasis on contemporary works whose nontraditional themes, protagonists, and literary conventions make them well suited to young adult readers. It also looks at the ways in which contemporary readers access and share the works they're reading, and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs. In addition to traditional genre chapters, *Literature for Young Adults* includes chapters on literary nonfiction; poetry, short stories, and drama; cover art, picture books, illustrated literature, and graphic novels; and film. It recognizes that, while films can be used to complement print literature, they are also a literacy format in their own right—and one that young adults are particularly familiar and comfortable with. The book's discussion of literary

language--including traditional elements as well as metafictional terms--enables readers to share in a literary conversation with their students (and others) when communicating about books. It will help readers teach young adults the language they need to articulate their responses to the books they are reading.

Getting the books **Books Similar To Pretty Little Liars Series** now is not type of challenging means. You could not only going past book accrual or library or borrowing from your friends to admission them. This is an extremely easy means to specifically get guide by on-line.
