America's First Daughter Stephanie Dray, Laura Kamoie, 2016-03-01 THE NEW YORK TIMES BESTSELLER In a compelling, richly researched novel that draws from thousands of letters and original sources, bestselling authors Stephanie Dray and Laura Kamoie tell the fascinating, untold story of Thomas Jefferson's eldest daughter, Martha "Patsy" Jefferson Randolph—a woman who kept the secrets of our most enigmatic founding father and shaped an American legacy. From her earliest days, Patsy Jefferson knows that though her father loves his family dearly, his devotion to his country runs deeper still. As Thomas Jefferson's oldest daughter, she becomes his helpmate, protector, and constant companion in the wake of her mother's death, traveling with him when he becomes American minister to France. It is in Paris, at the glittering court and among the first tumultuous days of revolution, that fifteen-year-old Patsy learns about her father's troubling liaison with Sally Hemings, a slave girl her own age. Meanwhile, Patsy has fallen in love—with her father's protégé William Short, a staunch abolitionist and ambitious diplomat. Torn between love, principles, and the bonds of family, Patsy questions whether she can choose a life as William's wife and still be a devoted daughter. Her choice will follow her in the years to come, to Virginia farmland, Monticello, and even the White House. And as scandal, tragedy, and poverty threaten her family, Patsy must decide how much she will sacrifice to protect her father's reputation, in the process defining not just his political legacy, but that of the nation he founded.

The True Story of America's First Daughter, Martha Patsy Jefferson Geraldine Brooks, 2017-11-19 Brooks has done so much to renew the acquaintance of American women with their foremothers ... interesting and instructive. -The American Monthly Review The widespread popularity of Miss Geraldine Brooks' book, *Dames and Daughters of Colonial Days* (1900), led to the request that the author prepare a companion volume dealing with the period immediately following the Revolutionary War. This she did in 1901 with *Dames and Daughters of the Young Republic* which included a series of eight delightful sketches of celebrated women, like Dolly Madison, Martha Jefferson, Elizabeth Patterson (Madame Bonaparte) and Dorothy Hancock. The sketch of Martha Jefferson has been excerpted here for the convenience of the reader, due to the present great interest in Thomas Jefferson's famous daughter. Brooks' account provides a pleasing sketches of Martha who had not a little to do with the early management of this country's affairs—though, perhaps, in a quiet way—and the portrait also affords a vivid glimpses of a chivalrous time. It throws entertaining side-lights upon Martha and the well-known people with

whom she came in contact. It is a narrative sketch and is designed to show the character and conditions of society that governed life in America over two centuries ago. Martha Jefferson Randolph (1772 -1836) was the daughter of Thomas Jefferson, the third President of the United States, and his wife Martha Wayles Skelton Jefferson. Born at Monticello, near Charlottesville, Virginia. Her nickname was Patsy. She married Thomas Mann Randolph, Jr., who served as a politician at the federal and state levels and was elected a governor of Virginia (1819-1822). They had twelve children together. Martha was very close to her father in his old age. Martha Jefferson Randolph is also the subject of the novel *America's First Daughter* by Stephanie Dray and Laura Kamoie, published in March 2016. The novel draws heavily upon Jefferson's letters.

America's First Ladies Nancy Hendricks,2015-10-13 Meet the First Ladies of the United States—sometimes inspiring, sometimes tragic, always fascinating—women who, though often unsung, helped hold the nation together in its infancy and advance it as a world power. More than simply serving as America's hostesses, many of the nation's First Ladies played vital

roles in shaping their husband's presidency and serving as political activists in their own right. From Martha Washington to Michelle Obama, their inspiring stories come alive in this handsomely illustrated encyclopedia. Within its pages, the First Ladies are revealed as human beings who, one day, awoke to find the eyes of the world upon them. The book differs from others by showcasing America's First Ladies in their own words, as flesh-and-blood individuals. Readers will discover which First Lady held off Napoleon's army with a toy sword, why women had to be pale, frail, and ailing, and which First Lady was called Sunshine and which was Hellcat. Each entry includes a biographical essay that details the life of the woman and places her within the political, social, and cultural context of her time. Each also offers a related primary document that helps define the First Lady's legacy as well as a short bibliography for further information. Written in a lively, compelling style, this highly readable volume is perfect for junior high, high school, and college students as well as the general public.

Barack Hussein ObamaFew Are Chosen Sam, 2012-09 Barack Hussein Obama.....Few Are Chosen....The Obamanating Spirit and Remembered Stories is an inspired book written about Barack Hussein Obama, President of the United States of America. The book consists of several topics that I hope the reader will find enlightening. It is a look backwards, in that I tell the audience about the segregated South and a look forward, the place where we must strive to be. Nevertheless, I hope that each individual will enjoy reading my book, which incorporates biography, humor, historical facts, scripture, and religious beliefs. It is not an attack on anyone or any group. It is intended to be an eye-opener in that it deals with several topics that relate to the President including birth, patriotism and religion. Each chapter discusses what I believe is an American peoples concern. Some people might see my book as a book on race relations and to some degree it is, but gently. There are thirteen chapters. In Chapter Five I discuss the forty year prophesy of the coming of Barack Obama; while in Chapter Seven I discuss the struggles of African Americans then and now, the African American churches, including Rev. Wright, Rev. Dr. Martin Luther King (among other things); Chapter Nine, Forcing Scared Against The President discusses how the politicians work overtime to portray President Obama illegitimately to the American Public, and Chapter Ten, disputes the assertion that Barack Obama is a radical (Really?); Chapter Eleven, Will the Real Mr. Speaker Stand, questions the heart of John Boehner and Chapter Twelve, Guess Who's Coming To The Tea Party warns the Tea Party that they could very easily become the terror group of the past. Chapter One, I Saw An Angel is the foundation for the book and how it all got

started.

America's First Ladies of the Twentieth Century Marian Bernice Forest, 1929

America's First Ladies Bill Adler, 2006-02-09 Here are the personal philosophies, opinions, thoughts, witticisms, and feelings of such upstanding and quintessential Americans as Abigail Adams, Dolly Madison, Eleanor Roosevelt, Jacqueline Kennedy, Nancy Reagan, Barbara Bush, and Hillary Clinton. These women have been more than just wives of American Presidents. Their roles have included everything from negotiating with heads of state to redecorating the White House, from debating political issues to acting as advisors, confidantes, and diplomats. Through statements made during press interviews and in speeches and in writing, these women put into words what might otherwise have remained private: Abigail Adams proves herself to be a pioneer feminist; Eleanor Roosevelt defines life's ultimate success; Lady Bird Johnson recounts a soul-enriching boat ride; and much more. What they have to say about marriage, child-rearing, success, happiness, beauty in the world, education, careers for women, women in politics, relationships, growing old, love, and living life to the fullest is powerful and profound. The pronouncements, pet peeves, gibes, and joys revealed in America's First Ladies add texture to the more secretive administrations, and color to the sterner and more stoic ones.

Sisi Allison Pataki, 2017-02-07 NEW YORK TIMES BESTSELLER • A sweeping historical novel that tells the dramatic story of Sisi, the empress of Austria-Hungary who fought for her family, her people, and her empire in a changing world “Irresistible—completely impossible to put down . . . Allison Pataki reimagines the reign of the nineteenth-century Princess Diana in this stunning book.”—Michelle Moran, bestselling author of *Rebel Queen* Married to Emperor Franz Joseph, Elisabeth—fondly known as Sisi—captures the hearts of her people as their “fairy queen,” but beneath that dazzling persona

lives a far more complex figure. In mid-nineteenth-century Vienna, the halls of the Hofburg Palace buzz not only with imperial waltzes and champagne but with temptations, rivals, and cutthroat intrigue. Feeling stifled by strict protocols and a turbulent marriage, Sisi finds solace at her estate outside Budapest, where she rides her beloved horses and enjoys visits from a man with whom she's unwittingly become enamored. But tragic news brings the end of her fragile seclusion, forcing her to return to her capital and a world of gossip, envy, and sorrow where a dangerous fate lurks in the shadows. Through love affairs and loss, dedication and defiance, Sisi struggles against conflicting desires: to keep her family together, or to flee amid the collapse of her suffocating marriage and the gathering tumult of the First World War. In an age of crumbling monarchies, the empress fights to assert her right to the throne beside her husband, to win the love of her people and the world, and to save an empire. But in the end, can she save herself? Featuring larger-than-life historic figures such as Bavaria's "Mad King Ludwig" and the tragic Crown Prince Rudolf, and set against many of Europe's grandest sites—from Germany's storied Neuschwanstein Castle to England's lush shires—Sisi brings to life an extraordinary woman and the romantic, volatile era over which she presided.

America's First Black Socialist Nikki M. Taylor, 2012-12-01 This authoritative biography chronicles the pioneering work of a nineteenth-century Black abolitionist and civil rights activist. Growing up in the free state of Ohio before the Civil War, Peter H. Clark dedicated himself to the abolitionist cause. In pursuit of equal citizenship for African Americans, Clark was at various times a loyal supporter of the Republican Party, and an advocate for the Democrats, and the country's first black socialist. Clark led the fight for African Americans' access to Ohio's public schools and became the first black principal in the state. *America's First Black Socialist* draws upon speeches, correspondence, and outside commentary to provide a balanced account of this influential yet neglected figure. Charting Clark's changing allegiances and ideologies from the antebellum era through the 1920s, this comprehensive biography illuminates the life and legacy of an important activist while also highlighting the black radical tradition that helped democratize America.

Becoming Madam Secretary Stephanie Dray, 2025-03-18 She took on titans, battled generals, and changed the world as we know it... New York Times bestselling author Stephanie Dray returns with a captivating and dramatic novel about an American heroine Frances Perkins. Raised on tales of her revolutionary ancestors, Frances Perkins arrives in New York City at the turn of the century, armed with her trusty parasol and an unyielding determination to make a difference. When she's not working with children in the crowded tenements in Hell's Kitchen, Frances throws herself into the social scene in Greenwich Village, befriending an eclectic group of politicians, artists, and activists, including the millionaire socialite Mary Harriman Rumsey, the flirtatious budding author Sinclair Lewis, and the brilliant but troubled reformer Paul Wilson, with whom she falls deeply in love. But when Frances meets a young lawyer named Franklin Delano Roosevelt at a tea dance, sparks fly in all the wrong directions. She thinks he's a rich, arrogant dilettante who gets by on a handsome face and a famous name. He thinks she's a priggish bluestocking and insufferable do-gooder. Neither knows it yet, but over the next twenty years, they will form a historic partnership that will carry them both to the White House. Frances is destined to rise in a political world dominated by men, facing down the Great Depression as FDR's most trusted lieutenant—even as she struggles to balance the demands of a public career with marriage and motherhood. And when vicious political attacks mount and personal tragedies threaten to derail her ambitions, she must decide what she's willing to do—and what she's willing to sacrifice—to save a nation.

Enigma Dan Ryan, 2011-12-16 *Enigma* is the continuation of the story begun in the novel *LONDON*. It is a work of fiction. The names, characters, places and incidents portrayed in this novel are the product of the authors imagination or have been used fictitiously. The characters are placed within the historical perspective of the signing of the Armistice on November 11, 1918 and the ten years immediately after this event. The events depicted in this novel were first presented in the *Times Encyclopedia and Gazetteer*, 431 South Dearborn Street, Chicago, Illinois, copyrighted 1934. This collection of eight volumes

contains a comprehensive, day by day narrative of the world war and years immediately following. The main characters are Admiral James Caldwell and his two sons, James Jr. and Louis Caldwell. James Sr. is the story teller as the navy family moves to London following the war until the depression of 1920. The purchase of 1600 acres called Spring Well in the novel is based upon the purchase of Chart Well by Winston Churchill in 1921. Winston Churchill faced a similar situation in his life at this time in history. Churchill entered the British army in 1893, fought at the battle of Khartoum with the Nile Expeditionary Forces in 1898 and was in the Boer War of 1899. He was elected to parliament for Oldham in 1900, was Under-secretary of State for the Colonies in 1906, married Clementine Hozier in 1908 and was Home Secretary in 1910. He served as First Lord of the Admiralty, Minister of Munitions and Secretary for War and Air during the war. In 1921 he was voted out of office and the House of Commons. The novel is a work of fiction. Its location was inspired by my time spent in London during the spring semester of 1974. The Rotary Foundation Group Exchange, district 114 in England invited a number of scholars from the United States to spend time in England living with various Rotarians of District 114. I was teaching at the University of Nebraska at the time, and I was chosen to represent District 565 of the United States. It was during this time that I came to know the people of Reigate, Redhill and Merstham, just south of London. This is where I met some of the characters for my novels London and Enigma. I stayed overnight in the Prince of Wales in Reigate, the Ashleigh Public House in Redhill and the Lakers Hotel in Merstham. The historical events which are outlined in this book all took place. The dates and locations are accurate, but the characters are the products of my overactive imagination. Some persons mentioned, however, are real. You cannot write about this period of our history without making reference to commanding admirals or generals.

The Competition Donna Russo Morin,2023-02-28 In a studiolo behind a church, six women gather to perform an act that is restorative, powerful, and illegal. They paint. Under the tutelage of Leonardo da Vinci, the six show talent and drive equal to that of any man, but in Renaissance Florence they must hide their skills, or risk the scorn of the city. A commission to paint a fresco in Santo Spirito is announced and Florence's countless artists each seek the fame and glory this lucrative job will provide. Viviana, a noblewoman freed from a terrible marriage and now free to pursue her artistic passions in secret, sees a potential life-altering opportunity for herself and her fellow female artists. The women first speak to Lorenzo de' Medici himself, and finally, submit a bid for the right to paint it. But the church will not stand for women painting, especially not in a house of worship. The city is not ready to consider women in positions of power, and in Florence, artists wield tremendous power. Even the women themselves are hesitant; the attention they bring upon themselves will disrupt their families, and put them in danger. All the while, Viviana grows closer to Sansone, her soldier lover, who is bringing her joy that she never knew with her deceased husband. Power and passion collide in Donna Russo Morin's 'The Competition', a

sumptuous historical novel of shattering limitations, one brushstroke at a time.
