The Millionaire Joshua Catherine Ponder, 1978 THE MILLIONAIRE JOSHUA His Prosperity Secrets for You! (Millionaires of the Bible) Joshua went from slave to millionaire, and you probably can too. He was born into Egyptian bondage where he experiences limitation of every kind. While still a slave in Egypt, Joshua learned about the power of thought. This gave him hope for a better way of life. Later, while in the wilderness, he learned and absorbed much from the Masterful Moses. After being freed from Egyptian bondage and escaping to the wilderness Joshua acted as a spy in the Promised Land. There he surveyed its vast wealth and unlimited potential. Yet he had to wait another forty years in the wilderness of Paran before being allowed to permanently enter the Promised Land. Joshua made this frustrating period of waiting a time of learning, planning and preparing. Then when the opportunity came he was ready....It is an exciting story, and one that is symbolic of the vast good that can await you in your own life, as you follow through on Joshua's success secrets that are explained in this book.

This book includes the stories of several figures who lived in Biblical times, including Joshua, Isaac, Deborah, Gideon, Ruth, and the Queen of Sheba. It shows how they managed their wealth or their privileged positions in order to help their communities. Millionaires of the Bible Series. The series Money at its Best: Millionaires of the Bible examines the lives of key figures from biblical history. Christianity in Crisis Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff's award-winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith. But in the 21st century, there are new dangers—new teachers who threaten to do more damage than the last. These are not obscure teachers that Hanegraaff unmasks. We know their names. We have seen their faces, sat in their churches, and heard them shamelessly preach and promote the false pretexts of a give-to-get gospel. They are virtual rock stars who command the attention of presidential candidates and media moguls. Through make-believe miracles, urban legends, counterfeit Christs, and twisted theological reasoning, they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe: "God cannot do anything in this earthly realm unless we give Him permission." "Keep saying it—I have equality with God—talk yourself into it." "Being poor is a sin." "The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be the Messiah to the Jews!" "You create your own

world the same way God creates His. He speaks, and things happen; you speak, and they happen.” Christianity in Crisis: 21st Century exposes darkness to light, pointing us back to a Christianity centered in Christ. From the Preface: “Having lost the ability to think biblically, postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators. Pop culture beckons, and postmodern Christians have taken the bait. As a result, the biblical model of faith has given way to an increasingly bizarre array of fads and formulas.”

Seven Secrets of Bible-Made Millionaires Toye Ademola, 2007-02 The Lord Jesus became so very poor so that you may become so very rich ... abundantly supplied (2 Corinthians 8:9). You will learn how you can make millions through God's power and for God's purpose.

Spiritual Snake Oil S.C. Hitchcock, 2012-01-01 Spiritual Snake Oil shows that the same fallacies that plague religious apologetics also infect virtually all new age and spiritual writing. Author Chris Edwards does this by dissecting the arguments and assertions of the most prominent new age icons and spiritual writers. They include Robert Pirsig (Zen and the Art of Motorcycle Maintenance), James Redfield (The Celestine Prophecy), Deepak Chopra (Life After Death), Dinesh D'Souza (Life After Death), Francis Collins's (The Language of God), Rhonda Byrne (The Secret), and even Michael Crichton (a surprising defender of New Age thinking). As Edwards shows, the same fallacies, the same errors in argument, show up time after time in the writings of these--and virtually all other--new age and spiritual writers. In addition to explaining these fallacies in the chapters devoted to the individual authors, Edwards devotes a final chapter, A Compendium of Fallacies, to outlining the tricks and deceptive practices common to illogical arguments.

Waking to a Happy, Fulfilled Life Frank Miranda, 2019-08-26 Have you ever felt that your life is just not what you had hoped for? Things keep going wrong time and time again, and you say to yourself, “Why me?” You look at other people, and say to yourself, “Why can’t my life be like that?” They have good relationships, career, health, success, and money. What is holding me back? Why is my life so lacking? Why do I feel so awful? This is how I felt for a very long time because of my negative upbringing, and my negative thoughts just attracted more of the same. I knew life had to be better than what I was experiencing, so I started conducting research with The Psychology of Achievement; The Secret; works on Wayne Dyer, Deepak Chopra, and Rudy Tanzi; the Tao Te Ching; and What the Bleep!?: Down the Rabbit Hole, a documentary movie that explains correlations between quantum mechanics, neurobiology, human consciousness, and day-to-day reality that support all my research. This had led me to write a book so others can overcome any challenges and negativity, find the meaning of life, and live everyday fulfilled. In my book, I illustrate with examples of how I overcame all my insecurities and negativity with the tools I learned, and I wish to share this with the world.
