Rays of Light Saint Teresa (of Avila), 2015

The Spirit of Jesus in Scripture and Prayer James W. Kinn, 2004 James Kinn offers a remarkable and new appreciation of the importance of the Holy Spirit in Christian theology and personal spirituality today. By concentrating on the Holy Spirit in Scripture, prayer, and the Christian tradition, Kinn is able to show how the Spirit becomes our personal contact with Christ and the one who continues the work of Christ in us. Explicitly grasping the role of the Spirit can only lead to an enriched experience of the divine in our lives.

The Diamond Heart Julianne McLean, 2023-04-15 Two towering figures thread their way through this book: St Teresa of Avila, the sixteenth century Spanish Carmelite saint, writer and reformer and C. G. Jung, the founder of modern depth psychology. Through sharing fifteen key papers, chapters and talks written over nearly twenty-five years, the author draws on their writings to focus on, and explore, the interface and relationship between the Christian mystical tradition and Jungian, depth psychology. Jung saw the human psyche as 'by nature religious' and made this insight a principal focus of his explorations. In this regard, the book aims to explore an essentially depth approach to spirituality and numinosity relevant for today's largely post-religious situation. Jungian depth psychology, with all its own richness, can serve as an essential psychological foundation for, and bridge to, the Christian mystical tradition. Over the past 1500 years, the Christian tradition of theologia mystica, or mystical theology, has flourished in particular communities and individuals with great transformative beauty, vitality and strength - like a mysterious, hidden river of Love overflowing into society, such as in sixteenth century Spain. Key to understanding the transmission of this tradition down the centuries has been the sixth century writings known as the Dionysian Corpus, written by Pseudo Dionysius the Areopagite. These writings have evolved over more than 1000 years of interpretation and translation, being closely identified with the tradition of theologia mystica. The author looks forward with enthusiasm, hope and optimism to renewed, creative and invigorated approaches to understanding the nature of our inner life that characterize the essential writings of St Teresa of Avila and C.G. Jung. St Teresa of Avila's writings

assure us our life journey can be graced by divine presence – describing various stages of transformation of the soul, in God’s Love, in her classic book on prayer, the ‘Interior Castle’. Living symbols were a major preoccupation in the life and writings of C.G. Jung, where he explored the psychological foundation of religion, particularly the Christian tradition - what he termed the path of individuation. The author believes, under different guises, we are in the midst of another flowering of theologia mystica in our own secular time. The unprecedented spiritual longing and emergency of our own times is fuelling a strong need for the depth psychological tradition of Jungian psychology and the ancient tradition of theologia mystica to become more widely known, understood, practiced and lived. There is a wider evolutionary shift happening in our times - in the diamond heart of individuals, groups, nations and the global community. Something new and unprecedented is being born in our world today - we are not only in a new time, but a new era.

The Almost Mystic Steven P. Tungate, 2024-07-31 John Wesley, eighteenth century Church of England priest and founder of Methodism, was strongly influenced by the works of Roman Catholic mystics early in his ministry. These writings shaped his widely known doctrine of Christian perfection or entire sanctification. The mystics inspired Wesley to advocate for a lofty spiritual goal that he believed to be attainable in this life. In time, however, he developed many contentions with extremes as well as some particulars found in the mystical tradition. Beginning in 1749, Wesley began to publish his Christian Library—a fifty-volume compilation of abridged works that he believed to be among the best writings on practical divinity that had been published in English. Among this vast collection, he incorporated two works originally written in Spanish including a sampling of Letters by Juan de Ávila and the Spiritual Guide by Miguel de Molinos. This book examines Wesley’s editing of these works as a way of evaluating Wesley’s theology in comparison and contrast with Spanish mysticism. In particular, this book serves as a comparative study among these authors on matters of theological authority, self-knowledge and epistemology, soteriology, spiritual growth, suffering and divine withdrawal, prayer, meditation, contemplation, and the spiritual goal.

Unimaginable Deacon Francis G. King Ph.D., 2023-07-17 In 2010, God gave me the goal of my diaconate ministry: to bring peace and joy to all I meet. This book manifests the fruit of my submission to God’s will on joy. It describes how we can achieve joy through the soul’s three faculties: will to do good, mind to know the truth, and heart to love. The function of the will is to do good, and we desire goodness. When we are co-creators with God to make the world a better place for one person at a time to the best of our abilities, we are joyful in the will, and therefore, are joyful in living. The function of the mind is to know the truth. Since Christ is the Truth, to know God is to know joy: His blessings, righteousness, love, encouragement, perseverance, and faithfulness. Joy in the heart is based on the Law of the Gift of self. In a relationship we receive joy in the heart when we become one with another as in marriage when the two lovers become one. Since God loves us more than we can ever imagine, joy in the heart is to become with one God. He loves us so much that He wants us to be

one with Him for all eternity in heaven. Joy is not merely happiness; rather, I contend that it is the realization of supreme happiness. Christ is the only true source of our joy. When we are one with Him and His mission to save souls, we receive joy in the will, mind, and heart. Joy is a choice, and not always an easy one; but as we reflect on it together, I hope it is a choice which you will take with me.

The revelation of St. John Irma Korte,2020-01-03 Could the Revelation of St. John inspire us even today in our own spiritual quest? Yes, answers Dr. Korte, an author of several books and articles interpreting myths and the Bible, as she reads man's spiritual transformation in St. John's visions. Irma Korte questions the common view of Revelation as a prophesy of horrors and God's revenge, and instead invites the reader into man's inner world. Here, St. John contemplates in pictorial, mythical language the most essential problems in religion, such as the nature of man, reality, and evil. As the visions proceed, St. John himself experiences a profound inner change. He gives up alienating religious beliefs and moves toward ever deeper spirituality, culminating in the final illumination. Interpreting the visions much like myths are analyzed in Jungian thought, Dr. Korte compares the images in St. John's visions to those from other religious texts, psychological and philosophical theories, mythology, and yoga literature, as well as from dreams and experiences of present-day men and women. The many quotations from the works of Occidental and Oriental mystics testify that they have used images similar to those of St. John in recounting their own experiences. These mystics include, among others, St. Teresa of Avila, St. John of the Cross, and Paramahansa Yogananda.

Simply Sacred Joanne Wiens, 2022-02-15 What's a face-saving response when a principal comments on a spider a young boy is carefully drawing only to be informed that his artwork actually depicts Jesus on the cross? There may not be one, but in *Simply Sacred* there is a faith-saving option: to alter one's perspective to see that ordinary days almost always hold sacred moments if we just take the time to look. Told from the standpoint of a farm girl who becomes the principal of a fledgling Christian school in a bustling city, this collection of heartfelt stories shows us that the most timeless lesson for children and adults alike is to be schooled in grace, love, and the way of peace.

A Strange and Gracious Light Andrew Arndt, 2025-04-15 Be transformed by the gospel light that gleams among us. When we refer to the gospel only as the death and resurrection of Jesus and what that assures us for the afterlife, we miss out on the full depth of the gracious good news found in the person of Jesus Christ. As a result, most of our actual lives remain untouched by what the man from Galilee said and did during his life as told in the Gospels. While the gospel is certainly not less than Jesus' death and resurrection, it is much more than that—and that more is critical for how we imagine ourselves and the world around us. *A Strange and Gracious Light* cracks open the gospel story as the imaginative and prophetic spark of congregational life, modeling what it looks like to "think Jesus" and "speak Jesus" in our daily lives. Amid the meaninglessness of consumerism, mass entertainment, and political ideologies, the strange and gracious story of Jesus has the power to shatter our settled realities and resurrect our lives. Even now, the gospel light is breaking into our world and illuminating how our lives are already and always drawn into the gracious mystery of God. With vivid imagination and a winsome tone, pastor Andrew Arndt invites readers to engage with what transpires in the life of God's people and creatively rediscover Jesus. Using the movements of the church calendar from Advent to Pentecost, this book points pastors, preachers, and all invested in the church to how the story of Jesus illumines our life together and changes the way we see everything.

Hope MaryAnn McKibben Dana, 2022-08-30 What hope is, what hope isn't, and how to find it in hopeless times. Hope is not optimism. It's not toxic positivity. It's not a promise of future success or progress. And it's definitely not something that can be reduced to a scripty-font platitude on an Instagram post. So what is it? One thing is certain: real hope demands that we do something with it. That we live it out. That we use hope to participate in a bigger story playing out behind the bleak

world we see on the news or in our social media feeds every day. It doesn't matter whether you're a person of faith, or someone disillusioned with faith, or someone who hardly ever thinks about faith: if you're a human being who longs for a spiritual counternarrative to live by, this book points to one resilient enough to endure crises and crushing defeats. If you're tired of hearing about some heavenly hereafter amid the pressing need for justice here and now, this is a book about hope for this world—not the next. After exploring what hope isn't and then what it is, MaryAnn McKibben Dana reflects on the surprising place where hope is often found—in the messiness of our imperfect, flawed, beautiful human bodies. In the second half of the book, she talks about making hope real: sharing hope through stories, cultivating hope through simple practices, and nurturing hope in hopeless times—when only real hope can persevere.

I Was Gone Long Before I Left Peter C. Wilcox,2020-09-15 In St. Teresa of Avila's classic spiritual book Interior Castle she describes a difficult period of time in her spiritual journey when she said, When I think of myself, I feel like a bird with a broken wing. When I left the monastery thirty-eight years ago, this was exactly how I felt. I Was Gone Long Before I Left is the story about my interior struggle to leave the monastery after living this lifestyle for over twenty-five years. It explores the reasons why I went to the monastery, why I stayed, why I eventually left, and what I have learned. Maybe more importantly, it describes the many years of mental anguish, confusion, and depression that I went through to finally make this decision. It has brought back many painful memories and experiences and called for an honesty and vulnerability that I found daunting. For over thirty-eight years, I have been unable to write about my experience of life in the monastery because I felt ashamed.

For years, I thought about leaving, but couldn't make this decision because I felt paralyzed psychologically and emotionally. Now, after all these years, I have found the courage to share my story.

The Anchored Life: Nautical Principles that Help Believers Grow Tim Hibsman and Marv Nelson, 2023-05-30 “This book will have a significant impact on a lot of people.” Dr. James L. Snyder Author of the best-selling book *In Pursuit of God: The Life of A.W. Tozer* Throughout the Bible, there are many references to the Christian life being compared to a ship. Whether we are floating along on calm seas or drowning in the waves of life, we are all in need of a sure Anchor for our souls. In *The Anchored Life: Nautical Principles that Help Believers Grow*, Marv Nelson and Tim Hibsman use nautical terms and analogies to show that the Bible is full of promises for the sea of life on which we are all sailing. Whether you're an experienced sailor or a landlubber, the lessons learned in this book will enliven you and give you hope for those times that you need to batten down the hatches and hold on to the One Who calms the storms.

Mother Teresa's General Letters to Her Sisters Kolodiejchuk MC Brian, 2024-06-21 *Mother Teresa's General Letters to Her Sisters* is a collection of Mother Teresa's circular letters to the members of her religious congregation, the Missionaries of Charity Sisters. Not intended for those outside her community, they were written informally and spontaneously, often with little editing. It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order. Seemingly of little interest except for those to whom they were addressed, the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints, as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century. At the same time, and perhaps surprisingly, these letters may also prove to be worthwhile reading for a wider audience. Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels, giving the reader light and help even though he or she is not living the same religious life as one of the Sisters. Mother Teresa's unpolished statements are at times humble and at times humbling. They inspire confidence and encourage generosity. Many a time they are humorous but more often challenging. They are sprinkled with serene joy but also permeated with deep pain. She delighted in her Sisters' accomplishments yet did not shy away from correcting even the smallest flaw, which didn't escape her very observant eye. Sometimes she sounded just like a mother, full of tender loving care, and at other times more like a commander in chief, exhibiting an iron will and uncompromising determination. In either case, her followers seemed to have been drawn into the mystery of her charisma, endeavoring to keep pace with her. Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor, or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation? Or was it both? The letters will reveal the answer! Inspiring in their simplicity, the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate. The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual

themes likewise relevant for contemporary needs. In the context of Mother Teresa's statement that we are created for greater things, to love and to be loved', these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life. They will inspire us to put our love into living action, sharing His love with all those we meet, and so make our lives something beautiful for God.
