How to Think about Meaning Paul Saka, 2007-05-16 According to truth-conditional semantics, to explain the meaning of a statement is to specify the conditions necessary and sufficient for its truth. This book develops a more radical mentalist semantics by shifting the object of semantic inquiry. Classical semantics analyzes an abstract sentence or utterance such as Grass is green; in attitudinal semantics the object of inquiry is a propositional attitude such as Speaker so-and-so thinks grass is green.

The Nigger in You J. W. Wiley, 2023-07-03 Inspiration for the award-winning film *How Does It Feel to be a Problem?* (2021) A deeply poignant tapestry of personal stories, scholarship, and poetry, this book asks us to embrace our identity as leaders by engaging those who perpetrate dysfunctional language or behavior, thereby contributing to a world in which differences are respected and validated. Dr. Wiley borrows the agency of nigger, arguably the quintessential, most universally known term of disparagement of those negatively considered the Other, to re-frame the word as no longer just a racial term but one that symbolizes many of the ways we disrespect or bully one another, are inconsiderate of one another, prejudice one another, and internalize our demonization. He defines the word in a way that demonstrates its equivalence to other dysfunctional language (retard, bitch, fag, trailer trash, etc.) that suggests that those so targeted are unworthy of

consideration in our society. By creating a conversation around such language, Dr. Wiley challenges us to recognize that, when we give in to our prejudices and stereotypes, the “nigger in you” is what we are apt to see when we encounter those different from ourselves. A timeless, invaluable text for scholars, students, and higher education professionals, this book stretches beyond the world of academia to earn a well-deserved place on every leader’s bookshelf. Accompanying online material includes photographs of Dr. Wiley keynoting the October 2014 Vermont National Guard’s “Leadership Day” and keynoting ILAM May 2018 Conference in Memphis, Tennessee, as well as a YouTube video capturing Dr. Wiley revealing the rationale behind the title of his book *The NIGGER in You: Challenging Dysfunctional Leadership, Engaging Leadership Moments*.

He's known for his serial dating and inability to love. When he starts a campaign to win Lana's heart she is ill prepared to fight him. As the days go by Lana starts to believe in a happy-ever-after with Sullivan. Someone else has other ideas though and they might not survive long enough to discover what true happiness is.

Hild Nicola Griffith, 2013-11-12 Award-winning author Nicola Griffith's brilliant, lush, sweeping historical novel about the rise of the most powerful woman of the Middle Ages: Hild. In seventh-century Britain, small kingdoms are merging, frequently and violently. A new religion is coming ashore; the old gods are struggling, their priests worrying. Hild is the king's youngest niece, and she has a glimmering mind and a natural, noble authority. She will become a fascinating woman and one of the pivotal figures of the Middle Ages: Saint Hilda of Whitby. But now she has only the powerful curiosity of a bright child, a will of adamant, and a way of seeing the world—of studying nature, of matching cause with effect, of observing her surroundings closely and predicting what will happen next—that can seem uncanny, even supernatural, to those around her. Her uncle, Edwin of Northumbria, plots to become overking of the Angles, ruthlessly using every tool at his disposal: blood, bribery, belief. Hild establishes a place for herself at his side as the king's seer. And she is indispensable—unless she should ever lead the king astray. The stakes are life and death: for Hild, for her family, for her loved ones, and for the increasing numbers who seek the protection of the strange girl who can read the world and see the future. Hild is a young woman at the heart of the violence, subtlety, and mysticism of the early Middle Ages—all of it brilliantly and accurately evoked by Nicola Griffith's luminous prose. Working from what little historical record is extant, Griffith has brought a

beautiful, brutal world to vivid, absorbing life.

The Last Binding Trilogy Freya Marske, 2024-12-31 Bridgerton meets The Magicians in The Last Binding, internationally bestselling author Freya Marske's beloved, award-winning queer historical fantasy trilogy set in an Edwardian England full of magic, contracts, and conspiracies. The prose is sublime, the world-building top-notch, and the magic system is fascinating and unique."—TJ Klune, New York Times bestselling author of The House on the Cerulean Sea A Marvellous Light: When an administrative mistake sees Robin Blyth named the civil service liaison to a hidden magical society, he must contend with the secrets beneath the unextraordinary reality he's always known—and with Edwin Courcey, his cold and prickly counterpart in the magical bureaucracy, who clearly wishes Robin were anyone and anywhere else. Thrown together and facing unexpected dangers, Robin and Edwin discover a plot that threatens every magician in the British Isles—and a secret that more than one person has already died to keep. A Restless Truth: Maud Blyth expected plenty of adventure when she volunteered to serve as an old lady's companion on an ocean liner, in order to help her beloved older brother unravel a magical conspiracy. What she didn't expect was for the old lady in question to turn up dead on the first day of the voyage. Now she has to deal with a dead body, a disrespectful parrot, and the lovely, dangerously outrageous Violet Debenham: a magician, an actress, and a magnet for scandal. Surrounded by a ship full of suspects, Maud and Violet must first drop the masks they've both learned to wear before they can unmask a murderer and get their hands on a magical object worth killing for—without ending up dead in the water. A Power Unbound: Jack Alston, Lord Hawthorn, would love a nice, safe, comfortable life. Instead, he's living in a bizarre puzzle-box of a magical London townhouse, helping an unlikely group of friends track down the final piece of the Last Contract before their enemies can do the same. And to make matters worse, they need the help of writer and thief Alan Ross—who happens to be everything Jack wants in one gorgeous, infuriating package. When a plot to seize unimaginable power comes to a head at Jack's ancestral family estate, Jack, Alan, and their allies will become entangled in a night of champagne, secrets, and bloody sacrifice that will tear up the foundations of magic in Britain by the roots. Stunning—the writing is lush, the world-building is fascinating, and the romance is searing hot. I am completely obsessed with this story of unrepentantly dangerous people falling in love with one another.—Cat Sebastian, author of The Queer Principles of Kit Webb, on A Power Unbound This ebundle includes: Book 1: A Marvellous Light Book 2: A Restless Truth Book 3: A Power Unbound At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

As the characters progress, they grow closer to God and discover His direction for their lives. Angel grows from her sheltered life to understanding those around her, dating, and the strength of the Lord. Join the team as they take on witches, zombies, demons, devil dogs, and many other evil things thrown at them by the devil. This book will reveal what is really behind the myths, conspiracies, and evil in the world. Their survival is proof that God is still on the throne and in control. His undying love and mercy conquers all and guides the team down His path for their lives. Let the adventure begin.

Hear Our Truths Ruth Nicole Brown, 2013-10-30 This volume examines how Saving Our Lives Hear Our Truths, or SOLHOT, a radical youth intervention, provides a space for the creative performance and expression of Black girlhood and how this creativity informs other realizations about Black girlhood and womanhood. Founded in 2006 and co-organized by the author, SOLHOT is an intergenerational collective organizing effort that celebrates and recognizes Black girls as producers of culture and knowledge. Girls discuss diverse expressions of Black girlhood, critique the issues that are important to them, and create art that keeps their lived experiences at its center. Drawing directly from her experiences in SOLHOT, Ruth Nicole Brown argues that when Black girls reflect on their own lives, they articulate radically unique ideas about their lived experiences. She documents the creative potential of Black girls and women who are working together to advance original theories, practices, and performances that affirm complexity, interrogate power, and produce humanizing representation of Black girls' lives. Emotionally and intellectually powerful, this book expands on the work of Black feminists and feminists of color and breaks intriguing new ground in Black feminist thought and methodology.
