Mediating Moms Elizabeth Podnieks, 2012-03-22 In recent decades, popular culture - from television and film to newspapers, magazines, and best-selling fiction - has focused an enormous amount of attention on mothers. Through feminist, psychoanalytic, sociological, literary, and cultural studies perspectives, the twenty chapters in this book examine an array of current and relevant contemporary topics related to maternal identities such as working, stay-at-home, ambivalent, absent, good, bad, single, teen, elder, celebrity, and lesbian mothers; and issues such as the mommy wars, self-care, pregnancy, abortion, contraception, infanticide, adoption, sex and sexuality, breastfeeding, post-partum depression, fertility, genetics, and reproductive technologies. Contributors from Canada, the United States, Britain, and Australia engage critically and theoretically with stereotypes perpetuated by popular culture media, and chart some of the provocative and liberating ways that we can use and interpret this media to encourage and promote alternative and transformative maternal readings, identities, and practices. *Mediating Moms* looks at mothers as imaged by and in the media; how mothers mediate or negotiate these images according to their historical, corporeal, and lived personhoods; and how scholars mediate the popular and academic discourses of motherhood as a way of registering, strengthening, and alleviating the tensions between representation and reality. *Mediating Moms* engages critically with stereotypes perpetuated by popular culture, while mapping some of the provocative and liberating ways that mothers can use the media to transform and reaffirm their identities. Contributors include Jennifer Bell (Alberta), H. Louise Davis (Miami), Irene Gammel (Ryerson), Nicola Goc (Tasmania), Fiona Joy Green (Winnipeg), Latham Hunter (Mohawk), Joanne Ella Johnson, Hosu Kim (Staten Island), Beth O'Connor (Ontario Ministry of Municipal Affairs and Housing), Debra Langan (Wilfrid Laurier), Sally Mennill (British Columbia), Stuart J. Murray (Ryerson), Kathryn Pallister (Red Deer), Maud Perrier (Bristol), Lenora Perry (Texas), Dominique Russell, Jocelyn Stitt (Minnesota), Stephanie Wardrop (Western New England), Imelda Whelehan (Tasmania).

Apart from the Crowd Anna McPartlin, 2008-08-12 In a little Irish town like Kenmare, there's no need to worry whether

people will discover your secrets. They already have. For Mary, that means being remembered for her tragic losses, even if she'd rather get on with her life. For her cousin Ivan, as close as a brother, the gossip is all about how his wife took the kids and ran off with her new lover. For Mary's friend Penny, it's an old romance that didn't work out quite right, and a current affair with a bottle of vodka. Then Sam Sullivan rents the cottage next door to Mary, and within hours the whole town is talking about the film-star-handsome American. When Sam hurts his back while helping his new neighbor and spends the next week confined to a mattress on her floor, gossip runs rampant. But neither Kenmare nor Mary know about the secrets Sam is so successfully hiding.... For Mary's circle of friends, Sam's arrival marks more than one change. And Mary -- whose unlucky history has kept her apart from the crowd much of her life -- has finally found a man with whom she feels she might truly connect. But so long as both are captive to memories they dare not reveal, the past is a barrier that will keep them forever alone. In this powerful novel, Anna McPartlin perfectly captures the drama, the emotion, and the laughter of a small Irish community, for those who fit in -- and those who don't. Apart from the Crowd mixes wit and insight to create an engrossing tale that will keep you reading to the very last page.

Mexican Screen Fiction Paul Julian Smith, 2014-01-27 Mexican cinema is booming today, a decade after the international successes of Amores perros and Y tu mamá también. Mexican films now display a wider range than any

comparable country, from art films to popular genre movies, and boasting internationally renowned directors like Alfonso Cuarón, Alejandro González Iñárritu, and Guillermo del Toro. At the same time, television has broadened its output, moving beyond telenovelas to produce higher-value series and mini-series. Mexican TV now stakes a claim to being the most dynamic and pervasive national narrative. This new book by Paul Julian Smith is the first to examine the flourishing of audiovisual fiction in Mexico since 2000, considering cinema and TV together. It covers much material previously unexplored and engages with emerging themes, including violence, youth culture, and film festivals. The book includes reviews of ten films released between 2001 and 2012 by directors who are both established (Maryse Sistach, Carlos Reygadas) and new (Jorge Michel Grau, Michael Rowe, Paula Markovitch). There is also an appendix that includes interviews carried out by the author in 2012 with five audiovisual professionals: a feature director, a festival director, an exhibitor, a producer, and a TV screenwriter. Mexican Screen Fiction will be an invaluable resource for students and scholars and essential reading for anyone interested in one of the most vibrant audiovisual industries in the world today.

Vicky Harper is still hopelessly single and having to face up to the unpalatable fact that the last time she had a relationship with that highly elusive species, the decent single man, was well before Phantom of the Opera hit Broadway. So, having discovered an ancient book which says you can have anything you want from the Universe... and that all you need do is ask, she decides to give it a whirl. Turns out all she has to do is focus on thinking her wildest fantasies into reality. Kind of like Pollyanna, except with a Magic 8 Ball, a mortgage and a lot of vodka. So, along with her two beyond-fabulous best friends, Vicky decides to put 'The Law of Attraction' into action. Trouble is, 'The Law of Attraction' doesn't come with an instruction manual and Vicky soon realizes that you have to be very, very careful what you wish for...

Yawning at Tigers Drew Dyck, 2014-05-20 “A needed corrective to self-indulgent Christianity.” Philip Yancey “A stirring challenge.” Lee Strobel “A strong antidote against a domesticated God.” Matthew Lee Anderson When was the last time you were overawed by God’s majesty? Have you ever stood in stunned silence at his holiness and power? In our shallow, self-centered age, things like truth and reverence might seem outdated, lost. Yet we’re restless. And our failed attempts to ease our unrest point to an ancient ache for an experience of the holy. Drew Dyck makes a compelling case that what we seek awaits us in the untamed God of Scripture—a God who is dangerous yet accessible, mysterious yet powerfully present. He is a God who beckons us to see him with a fresh, unfiltered gaze. Yawning at Tigers takes us past domesticated Christianity, into the wilds where God’s raw majesty, love, and power become more real and transformative than we could ever imagine.

ABC Family to Freeform TV Emily L. Newman, Emily Witsell, 2018-03-02 Launched in 1977 by the Christian Broadcasting

Service (originally associated with Pat Robertson), the ABC Family/Freeform network has gone through a number of changes in name and ownership. Over the past decade, the network--now owned by Disney--has redefined family programming for its targeted 14- to 34-year-old demographic, addressing topics like lesbian and gay parenting, postfeminism and changing perceptions of women, the issue of race in the U.S., and the status of disability in American culture. This collection of new essays examines the network from a variety of perspectives, with a focus on inclusive programming that has created a space for underrepresented communities like transgender youth, overweight teens, and the deaf.

Contemporary Colonialities in Mexico and Beyond Kathleen Ann Myers, Beth T. Boyd, Pablo García Loaeza, Cara A. Kinnally, Alejandro J. Mejías-López, 2023-12-18 *Contemporary Colonialities in Mexico and Beyond* explores the changing dynamic of coloniality by focusing on how modern cultural products connect to the foundational structures of colonialism. The book examines how these structures have perpetuated discourses of racial, ethnic, gender, and social exclusion rooted in Mexico's history. Given the intimate relationship between coloniality and modernity, the volume addresses three central questions: How does the Mexican colonial history influence the definition of Mexico from within and outside its borders? What issues rooted in coloniality recur over time and space? And finally, how do cultural products provide a concrete and tangible way of studying coloniality, its history, and its evolution? The book analyses how literary works, movies, television series, and social media posts reconfigure colonial difference and spatialization. Supported by careful historical and cultural contextualization, these analyses will allow readers to appreciate contemporary Mexico vis-à-vis culture and borderland issues in the United States and debates on imperial memory in Spain. Ultimately, *Contemporary Colonialities in Mexico and Beyond* presents a handbook for readers looking to learn more about coloniality as a pervasive part of global interactions today.

Sisterhood, Interrupted Deborah Siegel, 2007-06-12 Contrary to clichés about the end of feminism, Deborah Siegel argues that younger women are reliving the battles of its past, and reinventing it--with a vengeance. From feminist blogging to the popularity of the WNBA, girl culture is on the rise. A lively and compelling look back at the framing of one of the most contentious social movements of our time, *Sisterhood, Interrupted* exposes the key issues still at stake, outlining how a twenty-first century feminist can reconcile the personal with the political and combat long-standing inequalities that continue today.

Hellions Maria Raha,2008-10-20 Who is the iconic rebel? Is it a character from the legacy of James Dean or Clint Eastwood, or maybe a Beat Generation writer? Is it a woman? Modern pop culture and the media have distorted the notion of rebellion. Classic male rebels appear sexy, nomadic—naturally rebellious—while unorthodox women are reprimanded, made to fit unrealistic roles and body images, or mocked for their decadence and self-indulgence. In order to appreciate our legacy of female rebels—and create space for future cultural icons—the notion rebellion needs to be reevaluated. From Madonna and Marilyn Monroe to the reality TV stars and hotel chain heiresses of the twenty-first century, Hellions analyzes the celebration of pop culture icons and its impact on notions of gender. Looking at these past examples, Hellions expands upon the definition of rebellion and offers a new understanding of what would be considered rebellious in the celebrity-obsessed media culture of the twenty-first century.

The Philosophy of David Lynch William Devlin,2011-03-25 From his cult classic television series Twin Peaks to his most recent film Inland Empire (2006), David Lynch is best known for his unorthodox narrative style. An award-winning director, producer, and writer, Lynch distorts and disrupts traditional storylines and offers viewers a surreal, often nightmarish perspective. His unique approach to filmmaking has made his work familiar to critics and audiences worldwide, and he earned Academy Award nominations for Best Director for The Elephant Man (1980), Blue Velvet (1986), and Mulholland Drive (2001). Lynch creates a new reality for both characters and audience by focusing on the individual and embracing existentialism. In *The Philosophy of David Lynch*, editors William J. Devlin and Shai Biderman have compiled an impressive list of contributors to explore the philosophy at the core of the filmmaker's work. Lynch is examined as a postmodern artist, and the themes of darkness, logic, and time are discussed in depth. Other prominent issues in Lynch's films, such as Bad faith and freedom, ethics, politics, and religion, are also considered. Investigating myriad aspects of Lynch's influential and innovative work, *The Philosophy of David Lynch* provides a fascinating look at the philosophical underpinnings of the famous cult director.

The Golden Girls Bernadette Giacomazzo,2023-08-15 This book is a much-needed addition to the growing body of scholarship around this beloved sitcom. An essential read for The Golden Girls fans and media studies scholars alike. — Library Journal, Starred Review Over the course of seven years and 180 episodes, The Golden Girls altered the television

landscape. For the first time in history, Americans (and, later, the rest of the world) were watching sexagenarians—and one octogenarian—leading active, vital lives. These were older women who had careers, families, lovers, and adventures, far from the matronly television characters of the past. In *The Golden Girls: A Cultural History*, Bernadette Giacomazzo shows why this iconic sitcom is more than just comedy gold. She examines how, between all the laughs and the tales of St. Olaf, these women tackled tough issues of the time—issues that continue to resonate in the twenty-first century. From sexual harassment, ageism, and PTSD to AIDS, inter-racial relationships, and homosexuality, Dorothy, Rose, Blanche, and Sophia weren't afraid to take on topics which were once considered taboo. This first-ever cultural history of *The Golden Girls* explores how the show forever changed the world's perception of what it means to grow older, and showed us the healing power of friendship, community, and sisterhood. It gave the voiceless a new voice and unveiled all the possibilities of what "family" can mean—no matter one's race, religion, creed, or sexual orientation.

Global TV Denise D Bielby, C. Lee Harrington, 2008-08-17 A reporter for the Los Angeles Times once noted that "I Love Lucy is said to be on the air somewhere in the world 24 hours a day." That Lucy's madcap antics can be watched anywhere at any time is thanks to television syndication, a booming global marketplace that imports and exports TV shows. Programs from different countries are packaged, bought, and sold all over the world, under the watch of an industry that is extraordinarily lucrative for major studios and production companies. In *Global TV*, Denise D. Bielby and C. Lee Harrington seek to understand the machinery of this marketplace, its origins and history, its inner workings, and its product management. In so doing, they are led to explore the cultural significance of this global trade, and to ask how it is so remarkably successful despite the inherent cultural differences between shows and local audiences. How do culture-specific genres like American soap operas and Latin telenovelas so easily cross borders and adapt to new cultural surroundings? Why is *The Nanny*, whose gum-chewing star is from Queens, New York, a smash in Italy? Importantly, Bielby and Harrington also ask which kinds of shows fail. What is lost in translation? Considering such factors as censorship and other such state-specific policies, what are the inevitable constraints of crossing over? Highly experienced in the field, Bielby and Harrington provide a unique and richly textured look at global television through a cultural lens, one that has an undeniable and complex effect on what shows succeed and which do not on an international scale.

The Art of Immersion: How the Digital Generation Is Remaking Hollywood, Madison Avenue, and the Way We Tell Stories Frank Rose, 2012-03-05 This is a field guide to the visionaries - and the fans - who are reinventing the art of storytelling.

Keep Christianity Weird Michael Frost, 2018 Jesus is different. Go and do likewise. Many Christians have become comfortable with letting the world mold them instead of being set apart by God. And many churches have traded in their biblical roots for complacent conventionality. But Jesus and the church are anything but conventional. The hallmark of our

faith is that it sees the world differently than the world sees itself. We are called to be eccentric--off center, unique, different--not conformed to the patterns of the world but transformed by the renewing of our minds. By God's grace, we are not only dissatisfied by sin but also increasingly uncompelled by conventionality. So resist the allure of acceptability. Get back to the unsafe roots of our faith. Be equipped to surprise the world with the Good News it didn't even know it was waiting for. Challenge the way things are by living a life that has been truly set free by Christ.
