Race Against Time Claire Eckard,2023-07-17 Flash was a pony that had fallen between the cracks-too small for most to ride, even for a Hackney pony, and too feral to be shown. What he needed was a person as small as he was-who had the guts and the patience to give a wild pony a chance. Then along came a little girl with a sensitive soul and a big heart. Kyla Law was just nine years old when she met Flash, and neither of them could have anticipated that their partnership would make history. In an inspiring true story of family, faith, and perseverance, Kyla and Flash's relationship mirrors the journey we must all take in life: one of highs and lows, successes and failures-theirs just happens to be along a hundred-mile historic trail in the Sierra Nevada mountains-the setting for the most famous endurance race in the world. From the moment they met, to the moment they crossed the finish line, their tenacity exhibits pure spirit: the human spirit, the Holy Spirit, and the fire-in-the-soul kind of spirit that helps us climb mountains and cross rivers, literally and figuratively. This story is about a girl and her pony, and how in one amazing day they inspired an international community, as Flash became the smallest horse to ever finish the Western States One-Hundred-Mile, One-Day Ride-the Tevis Cup.

Secret Scrolls Robert M. Price,2010-12-27 Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel. Sometimes it turns out to be a hoax; will it be debunked before it can work its mischief? If it proves genuine, will it be brought to light? Or will corrupt church officials manage to prevent it? The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general. Sometimes the authors have done their homework; other times they haven't bothered, and they wind up dishing up crazy rewrites of history and outlandish theories. These novels deal with abiding issues of faith, even without some new discovery. As soon as one engages

in biblical apologetics, one has stepped onto the marshy ground of probabilistic arguments, an entirely different epistemology that automatically replaces simple faith. And so one comes to hold one's religious convictions more tentatively, having become genuinely vulnerable to new evidence. One may not remain a believer for long. On the other hand, one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board. *Secret Scrolls* assesses what each author imagines it would take to derail and debunk Christianity. How mighty a blow must be dealt before the religion would fall? Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable. As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research, there is a genuine romance of New Testament scholarship, and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists. These books can both entertain and educate, and so will *Secret Scrolls*.

Tennis Shoes and the Feathered Serpent Chris Heimerdinger, 1999-10 Jim, now the father of two teenage daughters and a ten-year-old son, all as stubborn and self-willed as he ever was, must battle the forces of an old and secret adversary set on destroying his very existence. Once again Jim must descend through the mysterious passages of Frost Cave and the Rainbow Room, only to emerge with his family in a land and time teetering on the brink of ultimate destruction. Apache Adventure Ray Buck, Ann Buck, 2011-05 All the lights suddenly went out, making everything and everyone disappear in the darkness. Roberto's angry shouts echoed through the house, mingled with the thuds of crashing furniture. 'Come on!' exclaimed John. 'Now's our chance!' John grabbed Ernesto's and Sarah's hands, pulling them along in the dark hall. They heard Roberto screaming somewhere behind them. When the Ryan family is invited to a ranch in Texas, adventure is on Sarah and John's mind. What they don't expect, however, is uncovering a drug smuggling ring and racing against time to save the lives of their parents. Whether John and Sarah are facing a vicious cougar, a mysterious giant, fierce criminals, or a dangerous flood, *Apache Adventure* is a thrilling story from start to finish. Can this brother and sister team learn to rely on each other? Can they trust God to get them through?

A Summer of Adventure Jacqueline White Unruh, 2015-04-25 Teenage Toby lived with his grandmother. When she died suddenly, arrangements were made for him to spend the summer in Dallas, Texas, with his only living relative, his uncle Mike. While waiting at the bus terminal, he noticed two kids trying to hide from a dirty, unkempt man, who smelled of booze. When the man was out of sight, Toby asked the teenage girl and her younger brother why the man was looking for them. The girl, Cindy, hesitantly explained that he was their step father, he beat their mother who was now in the hospital, and he said he would kill them for calling 911 and turning him in. They were clearly scared and Toby wanted to help if he could. Toby convinced Cindy and her brother, Tommy, to come with him to Dallas, where he was sure Uncle Mike would know what to do. There was a long wait before their bus departure time, so the three kids ran back to Cindy and Tommy's house where they quickly packed some clothes and found what money they could. Back at the bus terminal they purchased one-way tickets to Dallas, and their Summer of Adventure began.
