Popsugar's Best New Romances Bustle and Bookish's Most Anticipated Books of December Library Journal's Best Romances of 2021 He's cosplaying as her boyfriend but their feelings for each other are real in this romantic comedy from Seressia Glass. Sometimes Kenya Davenport believes she was switched at the hospital—how else could a lover of anime, gaming, and cosplay come from STEM parents? Still, Kenya dreams of being able to turn her creative hobby into a career. She finally has a chance to make it big when she joins the reality show competition Cosplay or No Way. There's just one catch: the challenge for the final round is all about iconic pairs, and the judges want the contestants' significant others to participate. Unfortunately, Kenya is as single as can be at the moment. Luckily her best friend, Cameron Lassiter, agrees to be her fake boyfriend for the show. Roleplaying a couple in love will force them to explore what they're hiding under the mask of friendship. Can Kenya and Cam fake it until she makes it, or will she be real about her feelings, knowing it could cost her the best friend she's ever had?

Like One of the Family Kimberly Van Meter,2012-05 White beaches, blue waters ... St. John is paradise for most. But not for Lora Bell. Her childhood home is a source of painful memories and obligation. And this visit isn't likely to change anything. She's here to deal with a mountain of trouble at her family's resort, her grandfather ... and Heath Cannon, the guy she'd rather forget. Being around Heath reminds Lora of another side of herself--the less serious, more carefree side. And while that might be a welcome change, this is not the time. She has to be strong to make the tough decisions required to save the resort. So these feelings need to stop. Now. But it may be too late. Because those beaches, the water and Heath seem to be changing everything--Publisher.

**Live Like You Give a Damn!** Tom Sine,2016-04-05 Live Like You Give a Damn! declares the very good news that God is raising up a new generation, largely outside the church, to bring impressive change to the lives of our neighbors locally and globally by creating innovative forms of social enterprise and community empowerment. The even better news is that those of us within the church can join this changemaking celebration and discover creative new ways God can use our mustard seeds to make a more remarkable difference than we ever imagined possible. In this book Tom Sine offers practical ways you can join those who are creating their best communities, their best world, and in the process their best lives. Sine shows that in a world changing at warp speed, following Jesus is a design opportunity. It is not only an opportunity to design innovative ways to make a difference but also an opportunity to create lives with a difference, in the way of Jesus, that are simpler and more sustainable--and to throw better parties along the way. Why would anyone want to settle for less and miss the best?
