Ernest Hemingway's A Farewell to Arms Charles M. Oliver,2005 Discusses American writer Ernest Hemingway and his novel A Farewell to Arms. Presents the background of the work, the history of its writing, the reception to it, and its reputation.

A Farewell to Arms Ernest Hemingway,1995-06-01 Ernest Hemingway's classic novel of love during wartime. Written when Ernest Hemingway was thirty years old and lauded as the best American novel to emerge from World War I, A Farewell to Arms is the unforgettable story of an American ambulance driver on the Italian front and his passion for a beautiful English nurse. Set against the looming horrors of the battlefield, this gripping, semiautobiographical work captures the harsh realities of war and the pain of lovers caught in its inexorable sweep. Hemingway famously rewrote the ending to A Farewell to Arms thirty-nine times to get the words right. A classic novel of love during wartime, "A Farewell to Arms stands, more than eighty years after its first appearance, as a towering ornament of American literature" (The Washington Times).

Soldiers Once and Still Alex Vernon, 2007-08-15 As the world enters a new century, as it embarks on new wars and sees new developments in the waging of war, reconsiderations of the last century's legacy of warfare are necessary to our understanding of the current world order. In *Soldiers Once and Still*, Alex Vernon looks back through the twentieth century in order to confront issues of self and community in veterans' literature, exploring how war and the military have shaped the identities of Ernest Hemingway, James Salter, and Tim O'Brien, three of the twentieth century's most respected authors. Vernon specifically explores the various ways war and the military, through both cultural and personal experience, have affected social and gender identities and dynamics in each author's work. Hemingway, Salter, and O'Brien form the core of *Soldiers Once and Still* because each represents a different warring generation of twentieth-century America: World War I with Hemingway, World War II and Korea with Salter, and Vietnam with O'Brien. Each author also represents a different literary voice of the twentieth century, from modern to mid-century to postmodern, and each presents a different battlefield experience: Hemingway as noncombatant, Salter as air force fighter pilot, and O'Brien as army grunt. War's pervasive influence on the individual means that, for veterans-turned-writers like Hemingway, Salter, and O'Brien, the war experience infiltrates their entire body of writing—their works can be seen not only as war literature but also as veterans' literature. As such, their entire postwar oeuvre, regardless of whether an individual work explicitly addresses the war or the military, is open to Vernon's exploration of war, society, gender, and literary history. Vernon's own experiences as a soldier, a veteran, a writer, and a critic inform this enlightening critique of American literature, offering students and scholars of American literature and war studies an invaluable tool for understanding war's effects on the veteran writer and his society.

I Was Gone Long Before I Left Peter C. Wilcox, 2020-09-15 In St. Teresa of Avila's classic spiritual book *Interior Castle* she describes a difficult period of time in her spiritual journey when she said, When I think of myself, I feel like a bird with a broken wing. When I left the monastery thirty-eight years ago, this was exactly how I felt. *I Was Gone Long Before I Left* is the story about my interior struggle to leave the monastery after living this lifestyle for over twenty-five years. It explores the reasons why I went to the monastery, why I stayed, why I eventually left, and what I have learned. Maybe more importantly, it describes the many years of mental anguish, confusion, and depression that I went through to finally make this decision. It has brought back many painful memories and experiences and called for an honesty and vulnerability that I found daunting. For over thirty-eight years, I have been unable to write about my experience of life in the monastery because I felt ashamed. For years, I thought about leaving, but couldn't make this decision because I felt paralyzed psychologically and emotionally. Now, after all these years, I have found the courage to share my story.

The Fiction of Ernest Hemingway N.G. Meshram, 2002 The Book Projects Ernest Hemingway As An Artist With A Broader Vision Than He Is Generally Understood. This Vision Highlights The Profound Sympathy For Women And For Those Who Suffer In Indifferent Rather Hostile Society. The Author Has Tried To Attribute That Divine Love To Hemingway S Artistic Vision Often Denoted By The Greek Word *Agape*. This Make Hemingway Not Only A Great Modernist Artist, But Also A Sage Speaking For The Entire Humanity. That Hemingway Has Obsessively Dealt With Such Violent Themes, As War, Is True. It Is Nonetheless True That By Doing So He Has Exposed The Futility And Destructiveness Associated With It. The Hemingway S Hero Is A Defeated Man But Never Crestfallen. He Is Able To Retain His Dignity Even In The Face Of Crisis. His Tragedy Is The Result Of Love, Which For Him Is An Alternate God, And Ultimately Of Labor, Which He Puts In As A Matter Of Profound Faith. The Book Demonstrates This Effectively, And Should Be A Unique Contribution To The Hemingway Scholarship In India And Abroad.

Faith of Atheists vs Christians David Lewis, 2019-03-01 You fall and break your leg, the kitchen catches fire, neighbor Sam has a heart attack, one of your family crashes the car now what belief helps you through the crisis? What faith do you

have as a cane or crutch to guide you? Let us consider your faith possibilities such as friends, or organizations, or scientific concepts like gravity or evolution as the faith to sustain you. A Christian friend shares his faith that Christ came back from death, and his belief in a Creator and the miracle of a virgin birth. But what, as an atheist, can guide and support you? There are hundreds of thousands of atheists in the world, so we all probably meet and talk with and write to many each day. One purpose of this work is to better understand what faiths atheists have, so as to get along better with one another, especially with those having different beliefs. We will look at some famous atheists and review what influenced them and what changed for some of them as they matured into adults from childhood. We will make some comparisons between atheists and those calling themselves Christians.

A Gallery of Mirrors T. Tregear, 2017-07-05 The essays in this classic volume range from broad concerns with critical theory and aesthetic formulation to specific analysis of forms and texts. Levin discusses such matters as the symbolic interpretation of literature, the development of literary criticism during the past half-century, European attitudes toward contemporary American writers, and re-evaluations of Joyce, Proust, Balzac, Cervantes, Melville, and Hemingway. Because Levin is both a learned scholar and imaginative critic, there is no comparable book that offers the wit, taste, and learning one finds in these pages. His historical and comparative approaches to literary theory enable Levin to place a given work precisely by relating it to other works and manifestations of culture. World literature is not the province of this work. But Levin views it as the horizon against which our own traditions may be measured. Just as anthropologists discover similar processes working through diverse cultures, so through can we glean understanding of common patterns through the analysis of world literature, our own peculiarly specialized branch of the science of man. The effect of convention, in shaping the extent to which literature may be conceived as an institution, has been widely discussed. *A Gallery of Mirrors* raises theoretical questions that touch the methodology of humanistic scholarship, with regard to other disciplines, and the status of art, with regard to other modes of knowledge. With changing schools of critical thought, Levin relies considerably on semantics as a precision instrument for defining concepts in the terms of those for whom they were most meaningful.

A Masterpiece of World Literature : From Classical to Present Era Dr. Rishikesh Tewari, 2025-05-14 This magnum opus, *A MASTERPIECE OF WORLD LITERATURE - From Classical To Present Era*, is a seminal work that encapsulates the vast expanse of literary theory and criticism, traversing the realms of American, Australian, and Indian literature. This comprehensive tome delves into the complexities of colonial and post-colonial literatures, while also exploring the ancient and new literatures in English. Furthermore, it ventures into the domain of comparative literature, offering a nuanced understanding of the diverse literary traditions that have shaped the world's cultural heritage. A distinctive feature of this book is its focus on Contemporary Indian Literature in English Translation, providing a platform for the voices of Indian writers to be heard globally. Additionally, it examines the significance of English studies in India, highlighting the impact of

linguistic and cultural diversity on literary expression. By weaving together these disparate threads, this masterpiece presents a rich tapestry of world literature, serving as an invaluable resource for scholars, students, and literature enthusiasts alike.

Hemingway and Italy Mark Cirino, Mark P. Ott, 2017-07-11 Exploring the importance of Ernest Hemingway's time in Italy to his writing and legacy From his World War I service in Italy through his transformational return visits during the decades that followed, Ernest Hemingway's Italian experiences were fundamental to his artistic development. Hemingway and Italy offers essays from top scholars, exciting new voices, and people who knew Hemingway during his Italian days, examining how his adopted homeland shaped his writing and his legacy. The collection addresses Hemingway's many Italys—the terrain and people he encountered during his life and the country he transposed into his fiction. Contributors analyze Hemingway's Italian works, including A Farewell to Arms, Across the River and into the Trees, lesser-known short stories, fables, and even a previously unpublished Hemingway sketch, "Torcello Piece." The essays provide fresh insights on Hemingway's Italian life, career, and imagination. James Jones and the Handy Writers' Colony George Hendrick, Helen Howe, Don Sackrider, 2001 This story of James Jones and the Handy Colony is a popular account of one of the most unusual writing colonies ever established in the United States. Between his Army enlistment in 1939 and the wound that sent him to a Memphis hospital in 1943, James Jones suffered the loss of both his mother and his father, a victim of suicide. Psychologically precarious, Jones drank heavily, often brawling in bars. Concerned about his erratic behavior, his aunt took Jones to meet Lowney Handy, who took virtual control of his life, securing his discharge from the army and, with her husband Harry, inviting him into their home. Lowney became Jones's writing teacher--and his lover. An aspiring but unpublished writer when she began the Handy Writers' Colony in Marshall, Illinois, Lowney Handy developed a reputation as an inspirational teacher of writing. Her husband, an oil refinery executive from nearby Robinson, supported her in this endeavor, which proved quite successful. The Handy colony achieved

national attention through the success of Jones, its most celebrated member and the author of *From Here to Eternity* and *Some Came Running*.

Map Home David Havird, 2013-06-01 In the poem that opens this career-spanning odyssey, a blind weaver, who is at once a grandmotherly Penelope and a Homeric bard, “maps you home”—home finally, as the concluding poem reveals, to the Swamp Fox-haunted lowlands of Havird’s native South. Along the way, which threads through Hardy’s Wessex, the Greece of Homer and Seferis, and Jack London’s Valley of the Moon, we take our bearings in “elliptical” terrain, as Rosanna Warren describes the typical setting—landscapes through whose gaps emerge the ghosts of memory and myth to engage the living in scenes of infinite moment. In *Map Home*, as in Havird’s award-winning chapbook, *Penelope’s Design*—but amply here—“the memories of ‘a dream-disheveled child’ in the Deep South unfold,” as Eleanor Wilner observes, “into the meditative travels of the literary man in elegant poems riddled with starlight.”

No Friends but the Mountains Judith Matloff, 2017-03-07 A veteran war correspondent journeys to remote mountain communities across the globe—from Albania and Chechnya to Nepal and Colombia—to investigate why so many conflicts occur at great heights. Mountainous regions are home to only ten percent of the world’s population yet host a strikingly disproportionate share of the world’s conflicts. Mountains provide a natural refuge for those who want to elude authority, and their remoteness has allowed archaic practices to persist well into our globalized era. As Judith Matloff shows, the result is a combustible mix we in the lowlands cannot afford to ignore. Traveling to conflict zones across the world, she introduces us to Albanian teenagers involved in ancient blood feuds; Mexican peasants hunting down violent poppy growers; and Jihadists who have resisted the Russian military for decades. At every stop, Matloff reminds us that the drugs, terrorism, and instability cascading down the mountainside affect us all. A work of political travel writing in the vein of Ryszard Kapuscinski and Robert Kaplan, *No Friends but the Mountains* is an indelible portrait of the conflicts that have unexpectedly shaped our world.
