*Suddenly Cinderella Bundle* Hope Tarr,2014-01-13 Suddenly Cinderella Bundle by Hope Tarr Operation Cinderella Magazine editor Macie Graham devises a plan to masquerade as a modern-day Cinderella and get her revenge on infuriating Texan Ross Mannon. She'll do anything to uncover the dirt on the famous radio personality but when she finally uncovers a secret that could destroy Ross's reputation, she faces losing her job or losing the fairy-tale ending she didn't even know she wanted. The Cinderella Makeover Chic fashion photographer Francesca St. James agrees to work as a fashion fairy godmother on a new reality TV show, but she doesn't agree to falling for one of the contestants. Tech company CEO Greg just needs some help transforming himself enough to find his happily ever after, and butting heads with his high-and-mighty fairy godmother isn't in his plan. The two couldn't be more different, but as Greg transforms into the smoking-hot, confident guy he was always meant to be, will his makeover find him his one true love? The Cinderella Seduction Four months ago, Nick's bachelor-style life was turned upside down. Now the sole parent to a seven-year-old daughter he never knew existed, Nick doesn't have time for pleasure. But he hadn't factored in Stefanie or the intense attraction he'd feel for her. As her seduction heats up, so do the stakes, both professionally and romantically. Can he let business go long enough to allow Stefanie into his heart?

*Losing Myself and Other Miracles* Lynne Katherine Bouchard,2021-01-18 While others are busy trying to find themselves, Lynne Bouchard is happily losing herself. This is what she refers to as letting go of ego, and learning to trust her inner guidance and the wisdom of her higher self. *Losing Myself and Other Miracles* is a collection of short stories, insights, and poetry that allow you to tag along on her journey of freedom from ego, worry, and self-doubt.

*What the Hatmaker Heard* Sandra Bretting,2020-07-28 When a groom gets murdered, Louisiana hat maker Missy DuBois must look behind a veil of secrets on a former sugar plantation . . . Bride-to-be Lorelei Honeycutt is brimming with excitement over the elaborate headpiece Missy has created for her wedding but fears she won't be able to maintain her balance when she walks down the aisle. She's asked Missy to assist her during the rehearsal at Honeycutt Hall, a once grand sugar plantation now used as the family's home. Missy's trying to keep a cool head herself, as her own wedding is coming up in three short weeks on the Riverboat Queen. But after the rehearsal, she overhears the bride and groom quarreling. The next morning, Wesley Carmichael is missing. After searching the house and grounds, Missy discovers the groom lying at the

bottom of an old, unused sugar silo—and now it's up to the mystery-solving milliner to find an unbalanced killer . . .

**Regenesis** C. J. Cherryh, 2010-01-05 The long-awaited sequel to the Hugo award-winning novels *Cyteen* and *Downbelow Station*. The direct sequel to *Cyteen*, *Regenesis* continues the story of Ariane Emory, Personal Replicate, the genetic clone of one of the greatest scientists humanity has ever produced, and of her search for the murderer of her progenitor—the original Ariane Emory. Murder, politics, deception, and genetic and psychological manipulation combine against a backdrop of interstellar human factions at odds to confront questions that have remained unanswered for two decades... Who killed the original Ariane Emory? And can her Personal Replicate avoid the same fate?

**The Cinderella Makeover** Hope Tarr, 2013-03-11 Fashionista Francesca St. James has agreed to work as a fairy godmother on the reality TV show *Project Cinderella*, taking contestants from geeky to dreamy. When Francesca's archrival bets she can't transform the awkwardly sweet CEO to hot in under eight weeks, Francesca accepts the challenge. As CEO of a tech company, Greg may have billions, but what's it worth without a woman to share it with? From day one on the show though, he clashes with his gorgeous fairy godmother—yet off-set, he can't stop thinking about her. But this sexy woman is so far out of his league...and wants to change every single thing about him. It's up to him to show her it's more than clothes that make the man. May the best man or geek win...

*The Hunters* W.E.B. Griffin, 2007-01-02 The new Presidential Agent novel—now in paperback. Two brutal murders and millions of missing dollars in the growing UN/Iraq oil-for-food scandal have led Charley Castillo and his team to Uruguay, where the man they seek is murdered right before their eyes. Those responsible have left just enough of a trail for Castillo to pick up the scent and follow it wherever it takes him—even if it's not exactly where he expected.

**A Deal with the Devil** Leonard Maxwell, 2002-07-09 Fletcher Stryker and his top assistant Sonny Anderson are seconded to the U.S. President's special committee for International Corruption and Fraud to recover or destroy, a set of almost perfect U.S. dollar printing plates that have disappeared. Their investigations take them to London, England; only to find that their lead, a young Barbadian man named Joe Large, has been brutally murdered. They meet the 'Englishman' and their beautiful contact Roberta Campbell and they challenge and uncover the interests of Leonardo Giuliani, the head of the most powerful crime family in Italy, and his son Fredo. Influential, black Lawyer Oliver Sobers and his daughter Bess get involved in the investigation as does Tudor Knight a suburban housewife married to a successful lawyer and has two children. Exceedingly artful she cleverly constructs a double life where she is able to find the love and excitement that is so important to her but it gradually and unwittingly leads her into a web of international intrigue and crime. The story switches from Barbados to England and from America to Italy. At the end it is Tudor Knight who is left to make a crucial decision. Her actions have inadvertently put at risk the lives of her innocent children. To save them she has to sacrifice herself or perhaps

make a deal with the devil.

**MAKING MONEY** JEREMY TUBBS,2024-11-30 This book is about transforming your life by mastering the principles of money, mindset, and personal growth. It chronicles my personal journey from struggle to success, sharing the lessons I've learned about building wealth, creating passive income, and the importance of sharing your story with the world. It's not just a "how-to" guide for making money; it's a roadmap for creating a legacy that lasts. In this book, I dive deep into: The Basics of Money: What money is, how it works, and how you can use it to build wealth. My Personal Story: How I turned struggles into success, from humble beginnings to becoming a millionaire, through hard work, strategic investing, and the power of creating digital content. Wealth-Building Strategies: The step-by-step approaches I used to grow my income, from books to digital assets to passive income streams. The Power of Teaching and Sharing: How the real value of wealth isn't just in earning money, but in impacting others. Sharing your knowledge and experience can create opportunities for both personal and financial growth. Overcoming Distractions: Lessons learned about removing negative influences (like toxic relationships or bad habits) in order to focus on what truly matters—building your empire. The Importance of Mindset: How changing your mindset can change your life. I share tips for overcoming limiting beliefs and developing the kind of mindset that leads to success and abundance. Through my experiences and the mistakes I've made, this book is a blueprint for anyone looking to get out of financial struggle, make smarter decisions with money, and build a life of purpose and prosperity. The heart of this book is to inspire you to take action. It's not just about making money—it's about creating something that can serve you, your family, and your community for years to come. It's about building wealth with integrity, creating assets that will work for you even when you're not actively working, and ultimately leaving a legacy that outlives you. This is not just a book for entrepreneurs or investors—it's a guide for anyone who wants to change their financial future and create a life of fulfillment, freedom, and impact. I believe if I can do it, so can you.

**Practical Spirituality** James Arthur Ray,2005-02 Practical Spirituality shows you how to use your spiritual power in the quest for tangible results. James Arthur Ray combines the potent ingredients of material goals and mysticism, demonstrating how you need both to get the most out of life. Practical Spirituality makes applying ancient wisdom and the latest discoveries about how our world works--in the realm of physics and beyond--something you can do today. You get:\* Actionable, clear principles to achieve tangible success without sacrificing spirituality, and vice versa...\* Straight talk to put you on the true path of power, so you can avoid the mistakes most people make...\* Ways to break out of the mass hypnosis of our time and become completely free from cultural conditioning...This is a must-listen and must-do for anyone who is truly committed to becoming his or her own person in a world where most people just follow along. It's time to wake up with Practical

Spirituality!

They Felt the Spirit's Touch Scott Hagan, 2003 Discover what happens when common, everyday folks encounter the Holy Spirit!\* When you get beaten up for being faithful...remember the courage of Sosthenes.\* When you feel washed up and outcast...remember the comeback of John Mark.\* When you struggle between gifts and grace...remember the humility of Apollos.\* When your wounds feel incurable...remember the joy of Aeneas. Just like you, these folks found in the New Testament were common, everyday people with everyday lives...until they were touched by the Holy Spirit. Now, imagine His touch on your life! Scott Hagan, a masterful storyteller, draws you into a God-orchestrated moment in time to show you the impact of the Spirit's touch on each heart. Twenty unremarkable men and women are brought to life, and they leave an eternal legacy because they were touched by the Holy Spirit. With each response to the Spirit's touch, they became world changers! This second book in the Supporting Cast Trilogy by Scott Hagan includes a study guide. His first book, *They Walked With the Savior*, introduces you to twenty minor characters in the Bible who met God and accepted major roles!

*Bridge of Lies* Greg Dinallo, 2021-10-12 We all know about the Russian hacking of the 2016 US election—but what if the Russians had something bigger in the works? Russian investigative reporter Nikolai Katkov grew up under the Soviet regime and came of age as a journalist during the Cold War. The rumpled chain smoker no longer drinks, but he's devoted to truth, justice, and the American way; he considers his collection of comic books his pension. He and his colleague Nina Grafinskaya have always been highly critical of Putin and his corrupt cronies, so it's no surprise, though still tragic, when Grafinskaya is terminated by a Kremlin assassin after publishing an article revealing the dirty deals of Putin's inner circle. When her FBI contact is discovered in the trunk of his car with a slit throat, Katkov takes over Grafinskaya's unfinished story about a Russian mole placed high within the US federal security apparatus. Are the two stories connected? Katkov thinks so and becomes a target himself when he heads to Washington, DC, to follow up. In DC, FBI special agent and Amtrak liaison to the Joint Terrorism Task Force Lana Nichols is implementing a major upgrade to the railroad's computer security. Nichols, a sexy, young cyberterrorism expert, lands the assignment of babysitting Katkov, who attracts Russian thugs and hit men like a magnet. Katkov begins to understand the Russians' plot isn't about protecting the mole, but rather protecting a Code Red op about to go live. The Russians have been playing the long game to destabilize America—and now all the pieces are finally in place. Katkov suspects Lana Nichols—American born but ethnically Russian—is the mole. Her cover blown, she goes off the grid, leaving a path of cold death in her wake. The plot? A railroad bridge, over which freight trains laden with volatile chemicals must travel to continue their journey up the Eastern Seaboard, lies within spitting distance of the Capitol. And with only hours to go before the State of the Union address, the clock is ticking louder than ever. But what's the plan? How is she going to do it? And can they stop her in time?

*Women's Gynecologic Health* Kerri Durnell Schuiling, Frances E. Likis, 2006 *Women's Gynecologic Health*, based on

recent research, focuses on women's gynecologic health and encompasses health promotion, maintenance, and treatment. **Never Tell Them You're Dying** Barry Morgan, Kerry Morgan, 2006 Have you ever asked yourself how you would want to die? Would you prefer to go in a blaze of glory, saving thousands of people in the process, having your name go down in history, but without an opportunity to tell your loved ones goodbye? Or would you prefer to have a long protracted death where you have every opportunity to tell folks how you feel? My preference is the first scenario. I have always wanted to go up in flames with half of the world thinking, Man, that S.O.B. was something else. He saved all of those people with little regard for the consequences of his actions. That guy is really a hero. I would choose the quick path. My family knows how I feel about them and they know I love them. They don't need goodbyes. Besides, lying around in pain and losing control of my bodily functions for months prior to my death is not my idea of a good way to go. Unfortunately, we don't always have a choice in these matters of life and death. My life changed dramatically three years ago when I went to the doctor for a routine visit and received a diagnosis that I never thought I would hear. I had a terminal illness and I was going to die from it. No treatments. No cure. Just death. Along with this little bit of good news also came the realization that this was not something that was going to happen overnight. Estimates of the day of reckoning ranged anywhere from eighteen months to five years, give or take a day or two. My disease also becomes more debilitating as it goes along. I will lose control of my bodily functions and I will embarrass myself and my family. But I do have a chance to tell them goodbye. And I have a chance to sit down and write a book that chronicles the trials and tribulations of my successful completion of the first fifteen months of life after my diagnosis. This little terminal lung problem was the impetus behind *Never Tell Them You're Dying*, a book written by Barry and Kerry Morgan. A book that examines many of the problems one faces with a terminal illness. A book that was written as a legacy for our children. And hopefully a book that might help you if you are ever faced with a problem like mine. Here is a bit of history about me that might clear a few things up in advance. I have always had a sick sense of humor and I am a bit of a cynic, actually a royal smart ass. I also have been in sales a long, long time, which has honed my observation skills to another level. This cryptic visual acuity allowed me to look at life with a terminal illness from a whole different angle. The first part of the book examines life and the reality of terminal illness. We terminally ill types go through several emotional stages when we are diagnosed. Our loved ones go through various emotional stages as well. Our friends go through emotional stages and people we don't like or even know also go through emotional stages. It seems the whole world goes through these emotional stages when they find out about the terminal illness. Unfortunately, we are all in different stages at different times and that really can make life difficult on everyone. Since we all react differently, there is no set of

ground rules that apply. That's the beauty of this book. You will get to see what I went through. You will get to see what my wife, Kerry, went through. You will get to see what my children went through. You get to see what my parents, my brothers, my best friend, my coworkers, well, you get the point. No stone is left unturned and the raw, stark reality of the situation is laid bare on the pages of this book for you to see, and experience. Not only do we look at the various emotional stages all of us experience at a time like this, we also look at the insanity called the medical system that we blindly place our faith in. I'll show you what I had to deal with when it came to my wonderful insurance company. You will get to see just how the benefits (or lack of benefits) at your job apply in situations like this. I'll tell you all about FMLA, COBRA, STD, LTD, 401K, and SSDI and I'll do it in a manner that you can understand. You won't get any HR speak here, just facts on how all of this stuff works and doesn't work. I'll give you tips on trips. I'll even give you advice on the best places in the United States to retire and how to choose them. You will be enlightened on the benefits of having a dog. I will tell you why soft serve ice cream is good for the soul. You may even learn the secret to a long and happy marriage. I promise you a love story as well. You will see this for what it really is. This is a story about one man's love for his wife, his daughters, his family and friends, and his life. You will see how much I love everything about this crazy life we lead. It is all good and that is the message Kerry and I are trying to get across. Life truly is amazing. Don't focus on the dying. Just keep on living moment by moment, because in the end, that is all any of us will ever have just that moment. You will thank me someday. You probably don't want to hear this, but you too are going to die. As a matter of fact, there are approximately 3.4 billion people on the face of this planet and each and every one of them was terminal at birth. The only difference between them and me I have a little better idea of when I am going to end my journey. While none of us has a choice in how all of this pans out, I do know one thing. Very few of us are ever going to end up going out in a blaze of glory. Most of us are going to go the way of the dinosaur slowly and without much fanfare. That isn't a bad thing. The world only has room for a few heroes. And that brings us back to the title of the book. Since all of us were terminal at birth, a definitive diagnosis shouldn't make any difference. It isn't how you die that is important. It is how you live your life that counts.

**Bon Courage!** Richard Wiles, 2014-06-01 Part practical tourist guide and part autobiography, this record of a couple rebuilding their dream home in France is a tale of obstacles overcome and dreams fulfilled. A dilapidated, rat-infested stone barn might not be many people's vision of a potential dream home. But for English couple Richard and Al, the cavernous, oak-beamed building in a sleepy hamlet in the Limousin region of France is perfect. Tussles with French bureaucracy and fierce storms do little to dampen their resolve as they immerse themselves in this quiet corner of France, taking trips in Richard's balloon and starting their very own llama farm. Told by a well intentioned if often hapless do-it-yourselfer, Richard's hilarious and heartwarming tale of a new life in France resounds to the Gallic refrain, Bon courage!

Blood Diamonds Stuart St Paul,2024-05-24 During refits to three ships anchored in the shallows of the Bahamas a gang infiltrate the work crew and move from ship to ship emptying the gem safe of the jewellery shop on each vessel, but they are noticed by a whistleblower. Undercover investigators board and the ship is locked down under a false quarantine. They need to find and question the whistleblower, but he has gone missing. With no one able to leave the ship desperation brews.

Fell in Love with My Roomy Memoree,2025-02-14 “Can I trust you?” She trembles in a hotel room in New York one night and asks. He looks at her, his gaze intense, and replies, “I’ll prove you’re worth being wildly desired.” You always say I’m like ice, but you don’t know it’s you who ignited the fire in my veins.” “I’ve seen countless girls' bodies, but only your soul has me addicted.” “They say I ruined your purity? No, you saved me from my rot.” \*\*\*\*\* Julianna Juls Macey wants to escape her parents' home, so when her friend Carlo offers her a chance to move into a student apartment, she takes it. The only problem is the room is shared with his three friends—Kyle, Mark, and Kent. While the others are fine, Kent seems to despise her. He makes a mess, ignores her, and acts as if she doesn't exist. As Juls regrets her decision, she’s stuck with a year-long lease and starts questioning if living with boys was a mistake, especially wondering WHY Kent hates her so much? Book 2 of 2.
